Rendering of proposed City Hall, as seen from Market Square (looking North)

# Site Design – Market Square

- New flexible water feature
- Expanded community gathering space
- Plaza will be more accessible
- Addition of two performance spaces
- Enhanced seating areas with new trees for shade
- Eliminated outdoor trash storage

# Key Findings and Insights

## Highlights:

- **City Hall:** Complete renovation with ground level Council Chamber
- **Stormwater:** Phosphorous removal of up to 0.43, exceeding the 0.12 pounds requirement
- **Transportation:** DASH bus and King Street Trolley service, new bikeshare station, added bicycle racks, EV charging, and dedicated motor coach parking

## Benefits:

- New public meeting and collaboration spaces
- Exterior rehabilitation of historic City Hall and rebuild of garage, new plaza and streetscape
- Public access to exterior restrooms and drinking fountains in City Hall
- Green building, public art, and bikeshare

# **Planning Commission**

## **approved DSP #2025-00005**
