Proposed site plan

SUP#2026-00013

SUP Substandard Lot Considerations

- **Light and Air**
 - ▶ Complies with R-2-5 setbacks
- **Property Values**
 - ▶ New infill construction will not adversely affect property values
- **Dwelling Compatibility**
 - ▶ Height - Shorter than average height of surrounding dwellings
 - ▶ Bulk - Similar in size or smaller than other buildings on block
 - ▶ Design - Contemporary with brick exterior

SUP#2026-00013

SUP Lot without Frontage Considerations

- **Background**
 - ▶ In 1969, SUP required to develop lots without frontage. Staff cited concerns of a use with heavy truck traffic accessing the lot
- **Access for use**
 - ▶ 10-foot alley sufficient for the proposed single unit dwelling
 - ▶ Alley access is already used by surrounding properties

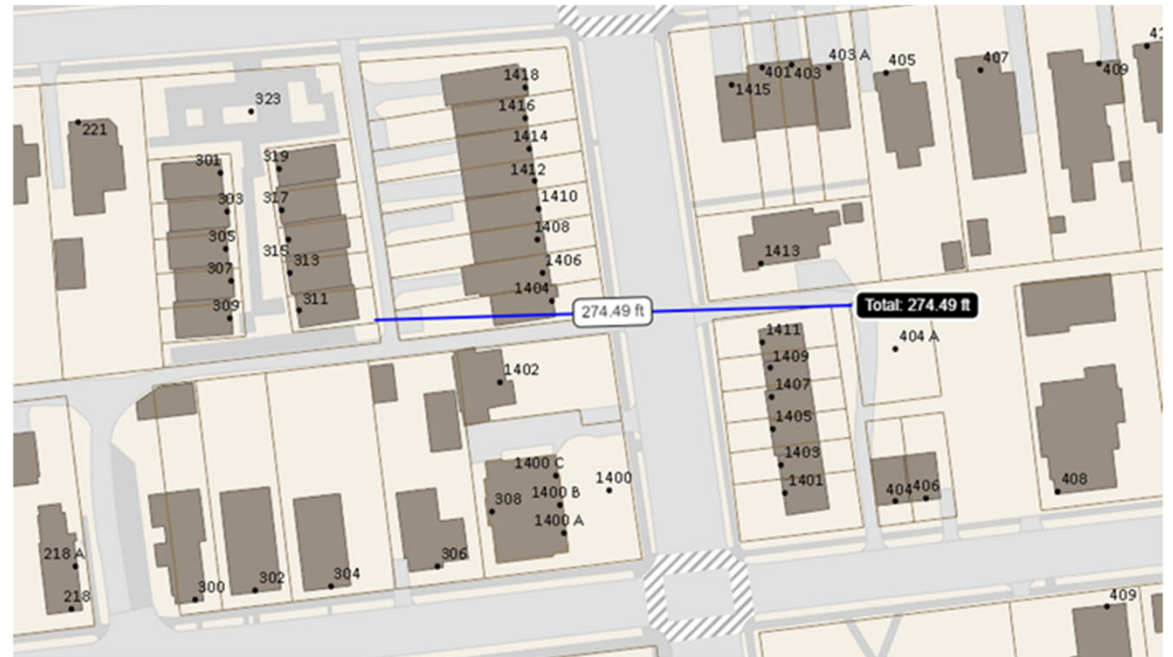

SUP#2026-00013

SUP Lot without Frontage Considerations

- **Compatibility**
 - ▶ Many properties in Del Ray exclusively use alleys for vehicular access to property
 - ▶ Other dwellings within proximity of subject property do not directly front on a public street

SUP#2026-00013

**Planning Commission recommend
