I've seen some exciting things happen in this great city, and want to continue to serve on behalf of my fellow community members. It has been a pleasure.

### Statement of Interest

Traffic and Parking are critical aspects of Alexandria that affect everything including quality of life for residents, desirability for commercial activities, public safety, and even property values. Poor traffic policies very negatively affects each of these, which in turn affect real people's lives sometime dramatically. My goal is to work with fellow board members, city staff, and obtain citizen inputs to ensure that traffic policies are designed very smartly and tailored to maximize the benefits that good traffic policies can provide.
