Alexandria Board of Zoning Appeals
City Hall
301 King Street
Council Chambers, Second Floor
Alexandria, VA 22314

Members of the Alexandria Board of Zoning Appeals:

My name is Kelli Wooten, and I am the property owner of 206 East Randolph Avenue, Alexandria, VA 22301. My property is immediately adjacent to the Leis property at 2612 Terrett Avenue.

Ali and Allen are looking for a special exception to allow for construction in a portion of the secondary front yard. While I am unable to attend the June 10 meeting, I wanted to let the Board of Zoning Appeals know that as one of the adjacent homeowners most impacted by the view of the Leis secondary front yard, I am fully supportive of them receiving the exception. The structure as contemplated by the exception is much more in keeping with the existing landscape of the community. Ali and Allen are excellent neighbors, and their design reflects their commitment to the community and the existing aesthetic of the community.

I would strongly encourage the Board to support this special exception.

Thank you for your consideration. If you have any questions, I can be contacted at 617-875-0462 or wootenkl@gmail.com

Regards,

Kelli L Wooten

Subject: House Renovations

Hey neighbors - I finally got your letter as I was on vacation when the postman tried to deliver it. I have no objections to your new addition to the house and wish you the best of luck with renovations.

I enjoyed seeing your house on the tour.

Terri
