Interests & Experiences

Statement of Interest/Why You Should Be Appointed

In 2021 I was a participant in the training for the City's first group of Alexandria EcoCity Ambassadors, and I would like to get more involved at the City level with environmental issues. I live across from Potomac Yard Mall which is already seeing new development with the coming Metro stop and Va Tech Academic Innovation Center, and I would to make sure that all this talk of innovation and green space incorporation isn't a bunch of developer lip service, as it will truly impact my day to day life.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I have long been interested in science, nature, climate and the environment in which we live. I am familiar with how the city is governed by attending the Alexandria City Academy, where I never missed a meeting and our tour of TES was one of the most interesting for me. If appointed, I understand the importance of serving, having been an active duty US Air Force officer for 21 years and a Federal employee for the last 11 years. I will meet my commitment by becoming educated in the Commission's role in the community and putting in the hours necessary to become a valuable member of the Commission's team. Having moved to the Carlyle/Eisenhower area in Feb 2017 and then since July, 2019 owning a home in the Old Town waterfront area, I am invested in keeping our environment healthy, safe and as clean as possible.
