Statement of Interest

2/2/2024 The Honorable Mayor Justin Alexandria City Hall 301 King Street Alexandria, VA 22314 Dear Mayor Wilson and Members of the Alexandria City Council, I write today to ask for your consideration of my application to serve as a citizen representative on the Public Health Advisory Commission (PHAC). A strong commitment to public health is the cornerstone of a successful city. It is the foundation for the overall well-being and success of its residents. By prioritizing public health, from our newborns to our senior citizens, we can strengthen our economy through a productive workforce, improve the outcomes of students in our school systems, and improve the lives of all Alexandrians. Together, these wins benefit our city – a city that we can be proud of and that attracts new businesses and families. I currently serve as the Vice President of Policy and Government Relations for the National Hospice and Palliative Care Organization and as Executive Director of the Hospice Action Network, located in Old Town Alexandria. In these capacities, I meet with Administration officials and Congressional leaders to advocate for policies that expand access to quality palliative and hospice care. Additionally, I serve as a resource to our members, keeping them up to date with the latest information from Washington. Prior to this role, I served as Legislative Director for Congressman Tom Reed overseeing his healthcare portfolio including management of the Diabetes Caucus which he served as Co-Chair. Throughout my career, I've lived by the philosophy that if one wants to go fast, to go alone, but if one wants to go far, to go together. I believe in working together, collaborating, finding common ground, and promoting pragmatic solutions. I am eager to contribute to efforts to meet the goals outlined in the Community Health Improvement Plan 2025 and the upcoming Community Health Assessment. Most importantly, I'm eager to give back. My wife and I moved to Alexandria in 2021 after living in Arlington for several years. Alexandria has been a welcoming city and we've fallen in love with it. It would be an honor to be selected to serve on the PHAC and give back to our community. Should you have any questions or wish to discuss my application further, you can reach me at 516-458-3647 or at LoganHoover@gmail.com. Regards, Logan Hoover 907 Juniper Place Alexandria

Interests & Experiences

Statement of Interest

My professional career has centered around health and welfare policy development and service delivery for disenfranchised populations including the elderly, victims of domestic violence, refugees, individuals living with disabilities, and low-income families. As a member of the Public Health Advisory Commission, I hope to lend my voice and expertise to the collaboration of addressing issues of public health quality, sustainability and access for all Alexandrians and especially for vulnerable populations. In addition, I hope that my lived experience as a female and a person of color can add to the diverse view points of the commission.
