Re: Endorsement of Congestion Mitigation and Air Quality Improvements (CMAQ) and Regional Surface Transportation Program (RSTP) Project Funding Request for FY28 and FY29

Dear Mayor Wilson and Members of City Council:

At its November 17, 2021, meeting, the Transportation Commission voted to endorse the CMAQ and RSTP Project Funding Request for FY28 and FY29 for \$4.5 million per year or total of \$9.0 million over two years. We enthusiastically support funding for multi-modal transportation projects which have many goals, including reducing air pollutants in nonattainment areas such as the Washington region. The City's request for FY28 and FY29 includes funding for Duke Street Transitway Operations, Mt. Vernon Avenue improvements between Four Mile Run and Glebe Road, Commuter Assistance mobile store services, and the next update to the Alexandria Mobility Plan.
