Re: Endorsement of Congestion Mitigation and Air Quality Improvement (CMAQ) and Regional Surface Transportation Program (RSTP) Project Funding Request for FY31

Dear Mayor Wilson and Members of City Council:

At its November 20 meeting, the Transportation Commission voted to endorse the CMAQ and RSTP Project Funding Request for FY31 for up to \$5.5 million. We enthusiastically support funding for multi-modal transportation projects which have many goals, including reducing air pollutants in nonattainment areas such as the Washington region. The City's proposed request for FY31 includes funding for two important initiatives, Safe Routes to School and Citywide Bus Bulbouts.

FY 2031 CMAQ/RSTP Proposed Program

Project Name	FY31
Safe Routes to School	\$2,000,000
Citywide Bus Bulbouts	\$3,500,000
TOTAL	\$5,500,000

The Transportation Commission endorses this funding request, and I'm available if you have any follow-up questions.

Sincerely,

Melissa McMahan
