Interests & Experiences

Statement of Interest

Almost three years ago, after living and working in New York City for my entire life, I moved to Old Town North with my Havanese dog, Tallulah. In that time I have developed a deep appreciation for the City, have made many friends here, and have truly come to think of Alexandria as home. This past fall I had the privilege of attending the Alexandria City Academy where I was able to gain an introductory understanding of the way the City operates, including classes with the Police Department, Fire Department, Sheriff's Office and several city agencies and offices. I have also sought out volunteer opportunities through Volunteer Alexandria, including with Meade Memorial Episcopal Church and The Fund for Alexandria's Child. And I plan on applying for CERT this fall. In my professional work, I have a long history of working with city agencies, elected officials, non-profits, labor unions, campaigns and developers in New York City and nationally. In addition to my skills with project management, event planning and fundraising, organizational development and data and software solutions, I am adept at managing communication and collaboration between stakeholders and helping to move projects forward. I view the opportunity to join the Citizen Corps Council as an opportunity to give back to Alexandria, deepen my knowledge of how the City functions, and get to know some of the people who make this City run so well. Finally, as a granddaughter of a volunteer firefighter (and niece of two firefighter uncles), who attended annual Christmas parties at the Fort Lee New Jersey Fire Department as a child, I would value the opportunity to work with the Council on the crucial work of emergency preparedness and response.

Interests & Experiences

Statement of Interest

Last spring, I finished the Alexandria City Academy and I was fascinated by how the city operates. I work for the federal government and I plan on staying in Alexandria for the long-term. I have lived (renting) in GW Park the past 3 years and have begun planting roots in this City. I currently have a garden plot in the Chinquapin Community Garden, attend services at Del Ray United Methodist Church, and will soon be moving to an apartment in the Del Ray neighborhood. I am applying to the Citizen Corps Council because I have been looking for ways to give back to my City and this council interests me as a member would need a solid understanding of the basics of the City government, such as those gained in the City Academy program. I have always been interested in how localities prepare for disasters and crises, and would love to learn and participate in the efforts. I am a dedicated worker and am great at digging into details without losing sight of the big picture. I love putting effort into topics and projects in which I am interested. As a member of the CCC, I will be a furious notetaker, an asker of questions, and a dependable attendee of meetings and events.

Interests & Experiences

Statement of Interest

We moved from the Fairfax County section of Alexandria to the City of Alexandria simply because we love it. We have two daughters that we wanted to make a home for in Alexandria and my husband has an office in Old Town for nearly 20 years. We are invested in our community and want I want to give back in anyway I can. I have been an employee with Arlington County Government for 18 years and have seen first hand the impact that committee and commission members can make. I have extensive experience in many areas of local government, including: transit, transportation, environmental policy, capital projects, water/sewer/streets, wastewater management, technology and crisis communications and community engagement.
