Citizen

Do you currently live in the City of Alexandria? NOTE: If your answer is no, a residency waiver is required for positions that are not specific to an organization or profession.

Statement of Interest

I am seeking a Citizen role on the Traffic and Parking Board to bring my unique perspective into the traffic and parking decision-making process. I believe that my experience navigating Alexandria primarily as a pedestrian and public transit commuter offers a valuable viewpoint when considering changes to the city's traffic and parking systems. Additionally, this board role would allow me to gain more firsthand exposure to community governance as I pursue graduate studies in public policy, with a focus on transportation and urban policy.

Statement of Interest

Dear City of Alexandria: I would be excited to volunteer for the Traffic and Parking Board. I believe that I can help Alexandria achieve its goals for accessibility, greater transit support, and safety by volunteering as a member for the Traffic and Parking Board. The Traffic and Parking Board has helped improve the safety, accessibility, and convenience for residents and visitors. I have had the pleasure to advocate for safe, effective, and accessible transportation projects as a resident in our community and volunteer for Families for Safe Streets. I supported the roundabout redesign for the Mount Vernon North Complete Streets project, because that redesign will improve traffic congestion and safety for vehicle, pedestrian, and bicycle users. I provided thoughtful comments for Duke Street in Motion, because it will provide critical improvements for West End transit access, connect our bicycle network, and improve pedestrian safety and congestion on Duke Street. It has been a pleasure to see the Traffic and Parking Board approve evidence-based projects that support the vision of accessibility and safety laid out in the Alexandria Mobility Plan. As a member on the Traffic and Parking Board, I would be proud to bring my passion and knowledge to help you achieve our goals for greater mobility, accessibility, and safety. It would be my honor to serve the citizens and public officials by helping formulate balanced street designs that improve access and safety, provide more transportation options for people, and address induced demand and congestion effectively. We still have too many gaps in our bicycle and transit network, too many unsafe streets, and too many places that are not accessible to all users. The Traffic and Parking Board is a critical element to achieving the goals and vision in the Alexandria Mobility Plan. I believe that as a member of the Traffic and Parking Board I can help you implement transportation and street projects that will improve the safety, accessibility, and travel experience of people within Alexandria. I would work hard for the City to ensure that the best street projects to improve mobility, safety, and accessibility are approved. Sincerely, Dane Lauritzen

New Applicant or Current Member

Current Member of This Board

How many terms have you served?

3 or more

What seat are you applying for? (Ex: citizen, architect, youth member, etc.)

citizen

Do you currently live in the City of Alexandria? NOTE: If your answer is no, a residency waiver is required for positions that are not specific to an organization or profession.

Yes

How long have you lived in Alexandria?

20 years

Statement of Interest

I currently serve on the Traffic and Parking board as its Vice Chairman and I am deeply committed to serving another term if I am appointed. I have served on the Traffic and Parking Board since 2016. I want to contribute to the improvement of multi-modal traffic flow, parking management and overall mobility for all who use Alexandria's streets and sidewalks. I have witnessed much change and evolution in my 8 years on the board – and have gained a tremendous education in traffic, policies and best practices from working with city staff and my fellow board members. I have watched the evolution of Vision Zero go from concept to a 2023 without a traffic fatality. However, there is so much more that needs to be done to address safety -- be it pedestrians, bikers, scooters or drivers, and I would like to be a part of finding the solutions. I bring a collaborative approach to the traffic challenges that are brought before the Board to help citizens and staff devise effective strategies to make Alexandria a safer place to live and work. Now that I gained such experience hearing the issues brought before the Board, I would like to continue to use this experience to further the Board's and the City's priorities.

Have you ever served the City of Alexandria in any capacity?

Yes (Please explain), I have served on the Traffic and Parking Board and have also frequently served as a citizen reviewer of city disposition of land.

Have you ever attended a meeting of the Board or Commission for which you are applying?

Yes

Are you now paid by the City of Alexandria?

No

Do any of your immediate relatives or business associates now serve the City of Alexandria in any capacity?

No

Attendance Requirements: Sec. 2-4-7 of the City Code requires appointees to attend at least 75% of the yearly committee meetings. Absences may be excused because of personal illness or serious illness of members of the immediate family, death of a family member, unscheduled business trips and emergency work assignments only. All other absences are recorded as unexcused. In light of the aforementioned statement, will you be able to attend at least 75% of the regular meetings of the board which you may be appointed?

Yes

If applicable, will you comply with the provisions of the City's conflict of interest requirements in City Ordinance 2867 regarding the completion of a financial disclosure statement?

Yes

Educational Background

I received a B.A. in Economics from the New College of Florida, the honors college of the Florida State University System. My thesis was on the economic effects of the addition of Spain and Greece into the EU. Directly after college, I got a scholarship to Georgetown University to study Economics, which is how I made my way to the Northern Virginia area.

Summary of Work and Experience

My background has always been in policy and analysis and technology. After 5 years in the White House Office of Management and Budget, I entered the realm of public television and worked there for almost 20 years. I was always at the nexus of policy and technology – helping translate the technical details and requirements into congressional, legal and policy language. I developed and managed the funding for the transition from analog to digital television, and helped obtain over \$500 million for stations' transitions from Congress. For 5 years after leaving PBS, I did consulting work for them on various technology projects after leaving full time work. My most recent contract involved project managing a strategic planning effort with the senior management of PBS. The work of the project itself was significant – marrying third party data and analysis with internal knowledge; fostering collaboration with expert facilitation; and leveraging industry-best techniques for strategic planning. Together, these created a unique opportunity for PBS's senior leadership to focus fully on the future. The common thread in my work experience has been marrying information with policy development. Since then, I have volunteered extensively in Alexandria. During COVID, I became a Medical Reserve Corp volunteer and worked many COVID and Mpox vaccine clinics, including the first pediatric COVID vaccine clinic in the city. I also volunteered extensively at Alexandria City High School while my children were there, specifically helping with the drama department and with the Scholarship Fund of Alexandria. I have also been volunteering for the last 4 years with a fundraising foundation that supports the families of fallen special forces operators. I am deeply invested in my community and will continue to give back to my community as needed.

No

Statement of Interest

I am writing to express my strong interest in joining the Alexandria Traffic and Parking Board. As a working-class citizen who relies on bike commuting for 100% of my transportation needs, I have a unique perspective on the challenges and opportunities related to transportation infrastructure in our city. Commuting by bike is not just an environmental choice for me, but a necessity. I believe my daily experiences navigating the city's streets, understanding the limitations of bike lanes, parking, and overall infrastructure, would provide valuable insights to help enhance the experience for all cyclists and commuters in Alexandria. I am deeply committed to promoting safer, more accessible, and efficient transportation systems that meet the needs of all citizens, especially those who rely on alternative modes of transportation. I am eager to collaborate with fellow board members to address key issues, advocate for improvements, and contribute to policies that make Alexandria a more bike-friendly and sustainable city. Thank you for considering my application. I look forward to the opportunity to contribute to this important work.
