- Request Description: Dear Mayor, Vice Mayor and Council Members, I am writing to introduce myself as an applicant for the Public Health Advisory Commission. I am applying as a citizen member who derives their principal income from providing health related activities. For the last five years I have been the office manager and medical biller for Clinical Psychology office located in Alexandria. My background is in public health and I hold a Master degree in Public Health from Hunter College in New York City. I moved to Alexandria in 2007 and shortly thereafter joined the Health Department's Medical Reserve Corp, to which I continue to be an active volunteer. I have also worked on a short-term grant at the Health Department, so I am very familiar with their employees, mission and services. Presently I am also enrolled in a Health IT certificate program at Northern Virginia Community College and hope to continue my professional health career in that field after graduation.

I hope you will find me to be a qualified applicant to the Public Health Advisory Board.  
Thank you for your time and consideration.  
Katya Wanzer
