**Staff Recommendation:** APPROVAL subject to compliance with all applicable codes, ordinances, and recommended conditions found in Section III of this report.

**Staff Reviewer:** Catie McDonald, [catherine.mcdonald@alexandriava.gov](mailto:catherine.mcdonald@alexandriava.gov)  
Sam Shelby, [sam.shelby@alexandriava.gov](mailto:sam.shelby@alexandriava.gov)

**PLANNING COMMISSION ACTION, JANUARY 6, 2026:** On a motion made by Vice Chair Koenig, seconded by Commissioner Brown, the Planning Commission moved to approve SUB #2025-00009. The motion carried on a vote of 7 to 0.

**Reason:**

The Planning Commission agreed with staff's analysis and recommendation.

**Discussion:**

Chair McMahon found that the request met the subdivision approval requirements. She explained that the subdivision review criteria are different from those established for other types of development applications. Chair McMahon also explained that stormwater, vehicular access, and other site specifics would be reviewed for compliance with City requirements through later review processes.

Commissioner Brown noted a neighborhood trend of demolitions of smaller houses to be redeveloped with duplexes. He expressed general support for these redevelopments because the additional density allowed by duplex dwellings adds to the area's housing supply. Vice Chair Koenig echoed this sentiment, explaining that the neighborhood was originally platted with 25-foot-wide lots suitable for duplex development. Both Vice Chair Koenig and Commissioner Brown found that staff should keep track of these redevelopment trends to ensure that new houses are compatible with established neighborhood character.

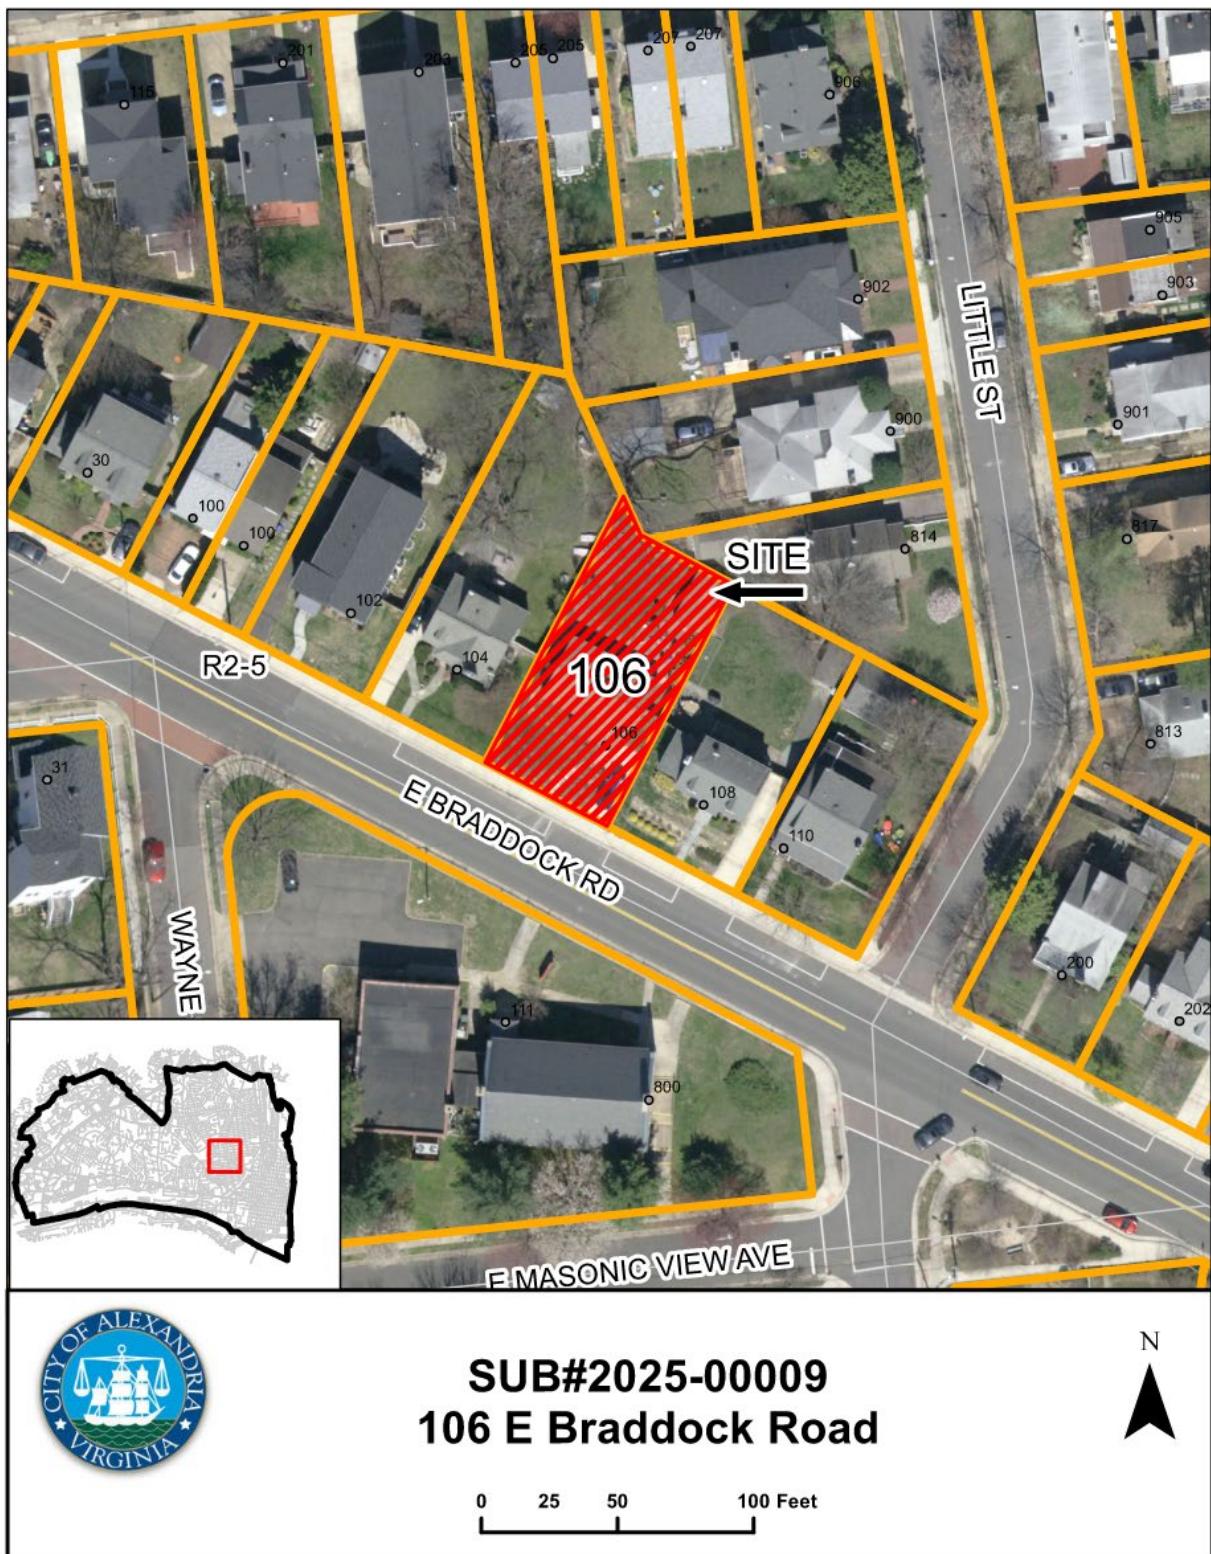

Speakers:

Kathryn Chakmak Reed, 108 East Braddock Road, spoke in opposition to the request. She stated that the additional density allowed by the subdivision and the shared driveway would create safety issues for pedestrians and vehicles that use East Braddock Road.

Monica Deangelo, 104 East Braddock Road, spoke in opposition to the request. She expressed concerns related to stormwater and neighborhood compatibility.

Mary Catherine Gibbs, attorney representing the applicant, stated that the proposal met all requirements for subdivision approval. She also explained that the existing site was developed prior to current City stormwater requirements and that future development would have to comply with all City requirements

Subdivision #2025-00009  
106 East Braddock Road

## I. DISCUSSION

The applicant, Classic Cottages, LLC, requests approval to re-subdivide an existing lot and two partial lots at 106 East Nelson Avenue into two lots. Staff recommends approval of the subdivision request.

### SITE DESCRIPTION

The subject property, featured in Figure 1, below, is irregular in shape and contains one complete lot and two partial lots of record, located at 106 East Braddock Road. The property has a total size of 5,050 square feet and a lot width and frontage of 50 feet each. A mix of uses surround the subject property including two-unit and single-unit dwellings as well as two churches located on East Braddock Road. A single-unit dwelling currently occupies the subject property.

Figure 1 – Subject property (outlined in blue)

## SUBDIVISION BACKGROUND

Section Two of the Temple Park Subdivision was created on April 7, 1926. At some point, the east half of Lot 127, Lot 128, and the west half of Lot 129 of the original subdivision were consolidated to create the subject property.

*Figure 2 – Section Two of Temple Park Subdivision (subject property in red)*

Between 1948 and 1996, Planning Commission approved multiple re-subdivisions within the original subdivision area. Of note, on October 10, 1965, the Planning Commission approved a re-subdivision of part of Lot 121, Lot 122, and part of Lot 123 into lots that accommodate a two-unit semi-detached dwelling. The various re-subdivisions in Section Two of Temple Park are shown in figure 3, below.

*Figure 3 – Original subdivision area (outlined in blue, subject property in red, re-subdivisions in green)*

## PROPOSAL

The applicant requests approval to re-subdivide the east half of lot 127, all of lot 128, and the west half of lot 129 into two lots. Both lots would be 25 feet wide and would provide 25 feet of frontage along East Braddock Road. Proposed Lots 100 and 101 would have 2,500 square feet and 2,550 square feet of lot area, respectively. Both lots would be mainly rectangular in shape, with proposed Lot 101 maintaining a slight, existing notch in the northwest corner. The existing dwelling would be demolished. The existing and proposed lots are shown in Figures 4 and 5, below.

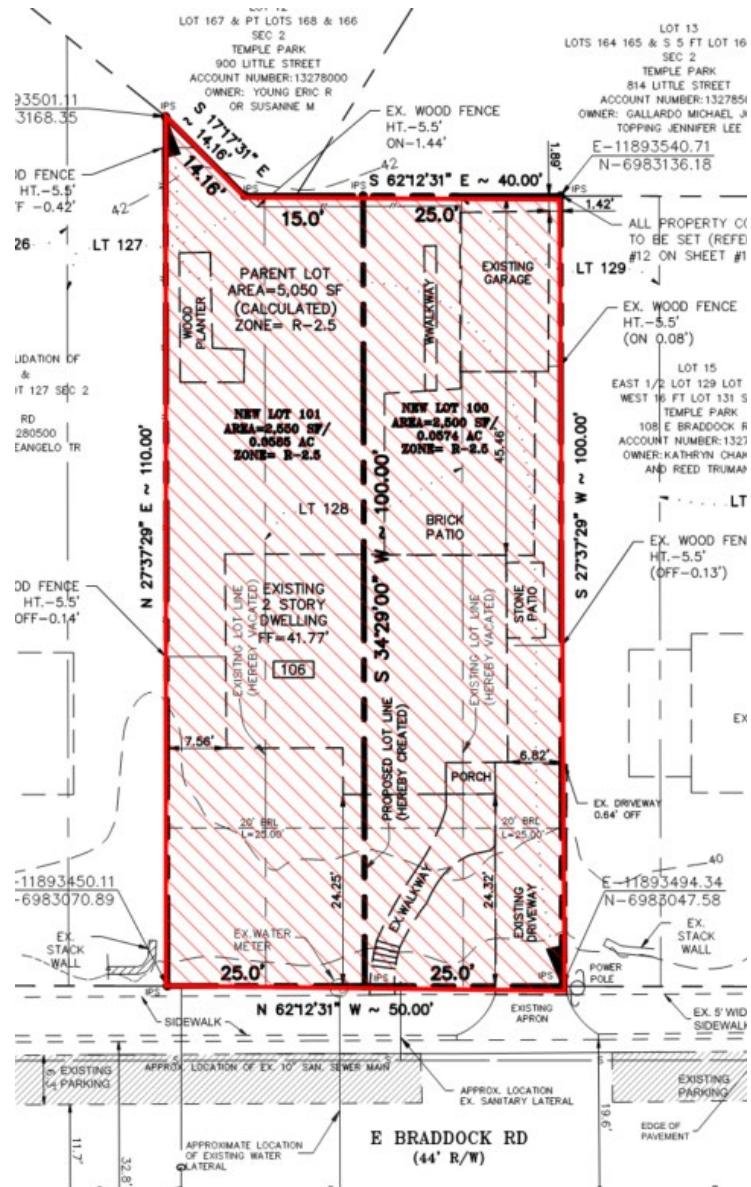

Figure 4 – Existing Lot Configuration (east half of lot 127, all of lot 128, and west half of lot 129)

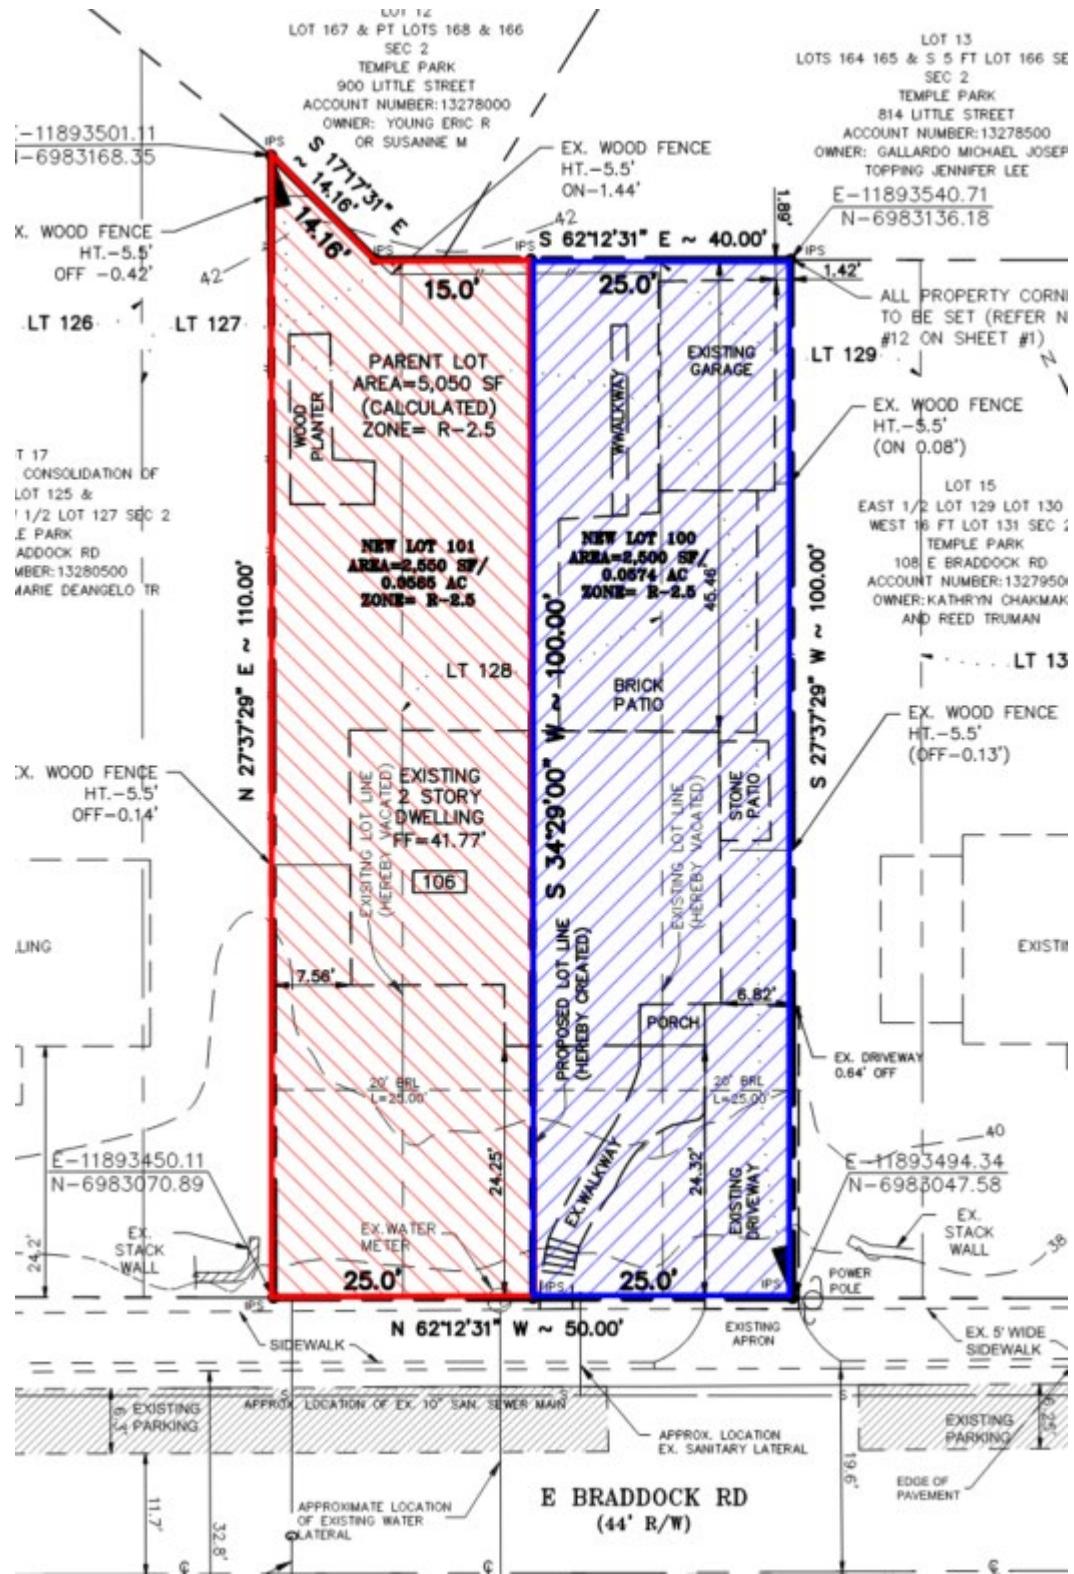

Figure 5 – Proposed Lots (Lot 100 in blue, Lot 101 in red)

## ZONING/ MASTER PLAN DESIGNATION

The subject property is zoned R-2-5/Residential and both proposed lots would comply with all lot requirements for a two-unit semi-detached dwelling as shown in Table 1. Any future development would be required to comply with all applicable provisions of the Zoning Ordinance.

*Table 1 – R-2-5 Zoning Requirements*

	<b>Required/Permitted</b>	<b>Existing</b>	<b>Proposed</b>	
		Part Lot 127, Lot 128, and Part Lot 129	Lot 100	Lot 101
<b>Lot Size</b>	2,500 Sq. Ft.	5,000 Sq. Ft.	2,500 Sq. Ft.	2,550 Sq. Ft.
<b>Width</b>	25 Ft.	50 Ft.	25 Ft.	25 Ft.
<b>Frontage</b>	25 Ft.	50 Ft.	25 Ft.	25 Ft.
<b>Front Yard</b>	23.5 – 24.5 Ft.	24.25 Ft.	Future development required to comply with all bulk and open space provisions.	
<b>Side Yard (East)</b>	7 Ft.; 1:3 ratio	6.82 Ft.*		
<b>Side Yard (West)</b>	7 Ft.; 1:3 ratio	7.56 Ft.		
<b>Rear Yard</b>	7 Ft.; 1:1 ratio	45.46 Ft.		
<b>Floor Area</b>	0.45	~0.19		

*\*Noncomplying side yard*

The property is located within the Potomac West Small Area Plan Chapter of the Alexandria Master Plan, which designates the property for low-to-medium-density residential uses consistent with the R-2-5 zoning regulations. The proposed lots would comply with the Potomac West Small Area Plan as they would be suitable for low-to-medium-density residential uses and would comply with all R-2-5 zoning requirements.

## **II. STAFF ANALYSIS**

Staff recommends approval of the applicant's subdivision request. The proposal would create lots that comply with all R-2-5 zoning and subdivision requirements. The proposed lots would be substantially the same character as the lots in Section Two of the Temple Park Subdivision in terms of lot shape, area, width, and frontage as required by Section 11-1710(B). Staff analysis follows.

### COMPLIANCE WITH SUBDIVISION REQUIREMENTS GENERALLY

Staff determined that proposed re-subdivision would meet all subdivision requirements established by section 11-1710. Both lots would be suitable for residential uses and structures permitted by the R-2-5 zone except for single-unit dwellings. The R-2-5 zone requires 5,000 square feet of lot area, 40 feet of lot frontage, and 50 feet of lot width for single-unit dwellings. Given the proposed lots would be 2,500 square feet and 25 feet wide, single-unit dwellings would not be permitted.

### COMPLIANCE WITH SUBDIVISION CHARACTER REQUIREMENTS

Several lots within the original subdivision have been re-subdivided since 1926. Many of these re-subdivisions created lots with smaller sizes, widths, and frontages than those of the original lots.

These approvals allowed for these lots to be developed with single-unit, two-unit, and townhouse dwellings. In particular, the re-subdivision of the east part of lot 121, all of lot 122, and the west part of Lot 123 (100A and 100B East Braddock Road) almost directly mirrors the applicant's request. Both lots are also "similarly situated" to the subject property in that they have widths of 25 feet each, are interior lots, and front on East Braddock Road.

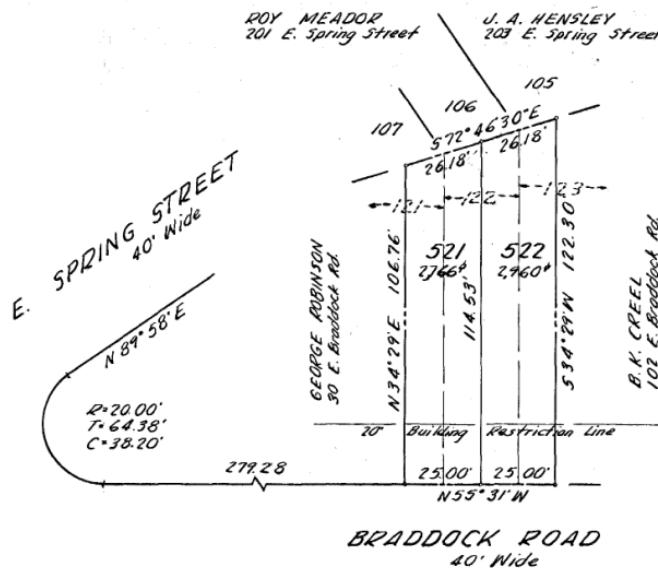

Figure 6 – Re-subdivision of the east half of Lot 121, all of Lot 122, and the west half of Lot 123 of Section Two of the Temple Park Subdivision

#### LOT ANALYSIS

Staff's lot analysis includes the residentially-zoned, interior lots within the boundaries of the original subdivision that front on East Braddock Road. Table 2 below shows how the proposed lots compare to these lots in terms of width, frontage, and size.

Table 2 – Lot Analysis

Address	Width	Frontage	Area
Proposed Lot 100	25 Ft.	25 Ft.	2,500 Sq. Ft.
Proposed Lot 101	25 Ft.	25 Ft.	2,550 Sq. Ft.
26 E. Braddock Rd.	25 Ft.	25 Ft.	2,035 Sq. Ft.*
28 E. Braddock Rd.	25 Ft.	25 Ft.	2,213 Sq. Ft.*
30 E. Braddock Rd.	50 Ft.	50 Ft.	4,850 Sq. Ft.*
100B E. Braddock Rd.	25 Ft.	25 Ft.	2,766 Sq. Ft.
100A E. Braddock Rd.	25 Ft.	25 Ft.	2,960 Sq. Ft.
102 E. Braddock Rd.	50 Ft.	50 Ft.	6,050 Sq. Ft.
104 E. Braddock Rd.	50 Ft.	50 Ft.	6,474 Sq. Ft.
108 E. Braddock Rd.	50 Ft.	50 Ft.	5,300 Sq. Ft.
202 E. Braddock Rd.	50 Ft.	50 Ft.	5,400 Sq. Ft.

204 E. Braddock Rd.	50 Ft.	50 Ft.	5,224 Sq. Ft.
206 E. Braddock Rd.	50 Ft.	50 Ft.	3,975 Sq. Ft.*

\*Substandard lot area

The proposed lots would have similar orientations and suitability for residential uses and structures as the similarly situated lots. They would also have the same width and frontage as the properties located at 26, 28, 100B, and 100A East Braddock Road. These lots are also the most similarly situated to the proposed lots in the original subdivision. As such, the proposal would be substantially compatible with established neighborhood character as required by section 11-1710(B). Further, the proposed lots would comply with the R-2-5 zone requirements for a two-unit semi-detached dwelling. The R-2-5 zone's minimum lot size and width requirements ensure that properties within the zone are suitable for low-to-medium-density residential uses as required by the Potomac West Small Area Plan Chapter of the City's Master Plan.

#### NEIGHBORHOOD OUTREACH AND COMMENTS

Staff notified the Del Ray Citizens Association (DRCA) and the Rosemont Citizens Association on November 18, 2025. Staff have not yet received comments from either association.

### **III. CONCLUSION**

In summary, the proposal would adhere to all subdivision requirements. Subject to the conditions contained in Section II of this report, staff recommends approval of the re-subdivision request.

### **IV. RECOMMENDED CONDITIONS**

Staff recommends **approval** subject to compliance with all applicable codes, ordinances, and the following conditions:

1. The final subdivision plat shall comply with the requirements of Section 11-1700 of the Zoning Ordinance. (P&Z)
2. The applicant shall covenant that the existing dwelling shall be demolished prior to: (a) City approval of any building permits to construct any new dwellings or structures on the subject property or (b) sale of the subdivided lots to individual owners. This covenant shall expire when the subdivided lots are consolidated, or the existing dwelling is demolished. This covenant shall be included in the recorded deed of subdivision and the final subdivision plat. (P&Z)

Staff Note: This plat will expire 18 months from the date of approval unless recorded sooner.

## **V. CITY DEPARTMENT COMMENTS**

Legend: C - code requirement R - recommendation S - suggestion F - finding

## Transportation & Environmental Services:

- F-1 The 100 Block of E Braddock Road is identified in the [City's Mobility Plan](#) as an existing on-street bicycle route with shared lane (i.e., unprotected) markings. As of October 2025, the [Braddock Road Trail Access and Corridor Improvements](#) project is exploring enhancements to the share bicycle configuration, which may remove on-street parking in the 100 Block of E Braddock Road. (Transportation Planning)
- F-2 As traffic volumes on E Braddock Road – east of Russell Road – exceed 7,500 vehicles per day, the City will not support any additional curb cuts along this 50-foot stretch of frontage. (Transportation Planning / Transportation Engineering)
