Citizen

Do you currently live in the City of Alexandria? NOTE: If your answer is no, a residency waiver is required for positions that are not specific to an organization or profession.
Yes

How long have you lived in Alexandria?
2.5 years

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)
My name is Marcos Bernier, and I am a part-time public policy graduate student and full-time management consultant who has been a resident of the Braddock Metro neighborhood for over two years. In this time, I have gone from being a lifelong car driver to becoming an alternative-transportation enthusiast; I walk, bike, or take public transit for every trip in the DC metro area. Since March 2024, I have also served on the DASH Advisory Committee where I collaborate with a diverse group of residents to represent the interests of riders by advocating for improvements in service, customer experience, and community outreach. Through this role, I work with DASH leadership and local and regional authorities on decisions that affect DASH and the regional transit ecosystem. As a prospective member of the Traffic and Parking Board, I bring to the table the perspective of an Alexandrian who lives, works, and moves through our streets without a car yet remains directly impacted by the city's traffic and parking policies. My experiences give me a firsthand view of how traffic-flow decisions, parking regulations, and emerging mobility options can affect safety, accessibility, and quality of life for many residents. I am eager for the opportunity to work with board members and city staff to gather input from the community and craft solutions to the most pressing problems regarding traffic and parking in our city. I look forward to contributing my own perspectives on how to best shape our traffic and parking policies to ensure the city's continued sustainability, livability, and mobility for residents and visitors alike.

Have you ever served the City of Alexandria in any capacity?
No

Have you ever attended a meeting of the Board or Commission for which you are applying?
Yes

Are you now paid by the City of Alexandria?
No

Do any of your immediate relatives or business associates now serve the City of Alexandria in any capacity?
No

Attendance Requirements: Sec. 2-4-7 of the City Code requires appointees to attend at least 75% of the yearly committee meetings. Absences may be excused because of personal illness or serious illness of members of the immediate family, death of a family member, unscheduled business trips and emergency work assignments only. All other absences are recorded as unexcused. In light of the aforementioned statement, will you be able to attend at least 75% of the regular meetings of the board which you may be appointed?
Yes

If applicable, will you comply with the provisions of the City's conflict of interest requirements in City Ordinance 2867 regarding the completion of a financial disclosure statement?
Yes

Educational Background

I am currently pursuing a Master's in Public Policy with a focus on Transportation & Urban Policy from George Mason University in Arlington. I expect to finish my studies in May 2027. I hold a Bachelor's of Science in Computer Science from the University of Oklahoma. I received my degree in May 2023.

Summary of Work and Experience

Over the past 2.5 years I have specialized in workforce planning and strategic development at Deloitte for both the government and nonprofit sectors—designing and executing talent-gap analyses, aligning workforce composition with organizational strategy, and crafting operational roadmaps to drive organizational transformation and capacity growth. Additionally, I serve as a member of the DASH Advisory Committee, where I advocate for rider interests to DASH and local leadership. Prior to these engagements, I spent 4 years in information technology at the University of Oklahoma, where I maintained classroom technology and served as a system administrator for the hundreds of computer lab machines distributed across the main campus.

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

Mark L. Stout

October 2025 Application for the Traffic and Parking Board Statement of Interest I am submitting this application for the posted vacancy on the Alexandria Traffic and Parking Board for a citizen member. When my wife and I decided to relocate to northern Virginia several years ago, we quickly decided that Alexandria should be our new home. Alexandria showed us a combination of history, vitality, diversity, progressive policies, walkability, transit access, and urban charm that captured our imagination. I would like to make a greater contribution to my adopted hometown, and I believe that service on the Alexandria Traffic and Parking Board would offer me a meaningful opportunity to use my four decades of transportation experience to benefit my fellow citizens. In my transportation career I previously served more than 25 years with the New Jersey Department of Transportation (NJDOT). As Assistant Commissioner for Planning and Development, I was responsible for the divisions of planning, capital programming, project development, local aid, bicycle and pedestrian services, freight services, aeronautics, and environmental resources. At NJDOT I was a pioneer in promoting progressive, sustainable transportation and land use policies. For the past 15 years I have been an independent transportation consultant, with a practice that addresses a wide range of transportation policy issues, including climate change, transportation and land use, and strategic planning. My clients include state transportation departments, national and state nonprofit and advocacy groups, and metropolitan planning organizations. My nonprofit clients have included Georgetown Climate Center, Smart Growth America, Transportation for America, Environment Wisconsin, the Texas Streets Coalition, the El Paso Streets Coalition, 10,000 Friends of Pennsylvania, the Delaware Riverkeeper Network, the Central Maryland Transportation Alliance, and the Maryland Chapter of the Sierra Club. Additional details concerning my career and my consulting practice (along with my Smart Transportation blog) can be found on my website at www.mlstoutconsulting.com. I received my bachelor's degree from Washington University in St. Louis and hold a PhD from the London School of Economics. My transportation goals include promoting walkable and bikeable neighborhoods; modern, user-friendly transit; climate change resilience; community based planning; and transportation equity. Thank you for your consideration. I look forward to working more closely with my fellow citizens for the improvement of our transportation system and the betterment of our city.

Have you ever served the City of Alexandria in any capacity?
