Statement of Interest

It has been my honor to serve on the City of Alexandria Commission for Persons with Disabilities (ACPD) since 2021 and be invited to reapply for another term. During my terms, I have followed accessibility issues associated with building the new Inova Alexandria Hospital to raise awareness of the need for services such as accessible scales for weighing individuals with disabilities who use scooters or wheelchairs. I have also worked closely with the City of Alexandria Department of Transportation Paratransit Service; Virginia State Legislators; and the City of Alexandria Office of Human Rights Americans with Disabilities Act (ADA) Coordinator to improve scheduling and reasonable accommodation request responsiveness of accessible Paratransit Services, particularly in response to the program's utilization of new state transportation software. My professional background includes working as National Disability Program Manager for the U.S. Forest Service. In this capacity, my professional work addressed forest and disability program management, including, but not limited to, work with the U.S. Access Board to make U.S. Forest Service Wildland Firefighting camps wheelchair accessible and enhance accessibility of U.S. Forest Service trails and canoe facilities. This background has been helpful to support Alexandria's Four Mile Run Conservatory Foundation's progress to fund, plan, and build what will be the first accessible floating launch for kayaks, canoes, and additional non-motorized recreational watercraft on the Potomac, located on the tidal portion of Four Mile Run, a Potomac River Tributary. I would value the opportunity to continue to work with City of Alexandria Officials to support services for City residents and visitors with disabilities. Thank you for your consideration of my application.

All other absences are recorded as unexcused. In light of the aforementioned statement, will you be able to attend at least 75% of the regular meetings of the board which you may be appointed?
