Hi, I am Heath Wells, owner of 1301 Queen St, Alexandria, VA 22314, right next to the subject property. I have lived in this house since 2006, 15 years ago.

I would like to comment favorably about BAR #2021-00421 PG. The applicant in this case is taking an ugly, historically insignificant outbuilding and improving it so that it will be useful to the occupants and not an eyesore for the neighborhood. The improvements will not confuse anyone that the outbuilding is of any historical significance, but will improve the functionality.

I recommend approval of the packet as submitted so that applicant can improve the look of the outbuilding and improve the quality of the neighborhood.
