i. The AlexWest Small Area Plan recommends a future pedestrian connection between Mark Center Drive and the Winkler Preserve. If/when Northern Virginia Regional Park Authority (NOVA Parks), the owner of the Winkler Preserve, wants to move forward with an entrance along Mark Center Drive, the property owner will allow a connection through the tail of the property that is generally consistent with the AlexWest Small Area Plan. This could be accomplished through an easement or a future dedication of the property. (P&Z) (T&ES)*
