Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

My name is Marcos Bernier, and I am a part-time public policy graduate student and full-time management consultant who has been a resident of the Braddock Metro neighborhood for over two years. In this time, I have gone from being a lifelong car driver to becoming an alternative- transportation enthusiast; I walk, bike, or take public transit for every trip in the DC metro area. Since March 2024, I have also served on the DASH Advisory Committee where I collaborate with a diverse group of residents to represent the interests of riders by advocating for improvements in service, customer experience, and community outreach. Through this role, I work with DASH leadership and local and regional authorities on decisions that affect DASH and the regional transit ecosystem. As a prospective member of the Traffic and Parking Board, I bring to the table the perspective of an Alexandrian who lives, works, and moves through our streets without a car yet remains directly impacted by the city's traffic and parking policies. My experiences give me a firsthand view of how traffic-flow decisions, parking regulations, and emerging mobility options can affect safety, accessibility, and quality of life for many residents. I am eager for the opportunity to work with board members and city staff to gather input from the community and craft solutions to the most pressing problems regarding traffic and parking in our city. I look forward to contributing my own perspectives on how to best shape our traffic and parking policies to ensure the city's continued sustainability, livability, and mobility for residents and visitors alike. Thank you for your consideration. If you have questions or require more information, please feel free to contact me.

Attendance Requirements: Sec. 2-4-7 of the City Code requires appointees to attend at least 75% of the yearly committee meetings. Absences may be excused because of personal illness or serious illness of members of the immediate family, death of a family member, unscheduled business trips and emergency work assignments only. All other absences are recorded as unexcused. In light of the aforementioned statement, will you be able to attend at least 75% of the regular meetings of the board which you may be appointed?

Yes

If applicable, will you comply with the provisions of the City's conflict of interest requirements in City Ordinance 2867 regarding the completion of a financial disclosure statement?

Yes

Educational Background

I am currently pursuing a Master's in Public Policy with a focus on Transportation and Urban Policy from George Mason University in Arlington. I expect to finish my studies in May 2027. I hold a Bachelor's of Science in Computer Science from the University of Oklahoma. I received my degree in May 2023.

Summary of Work and Experience

Over the past 2.5 years I have specialized in workforce planning and strategic development for both the government and nonprofit sectors—designing and executing talent-gap analyses, aligning workforce composition with organizational strategy, and crafting operational roadmaps to drive organizational transformation and capacity growth. Additionally, I serve as a member of the DASH Advisory Committee, where I advocate for rider interests to DASH and state/local leadership. Prior to these engagements, I spent 4 years in information technology at the University of Oklahoma, where I maintained classroom technology and served as a system administrator for the hundreds of computer lab machines distributed across the main campus.

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

When I first applied to the Traffic and Parking Board, I emphasized that I wanted to join the Board in order to make the City safer for all road users. I have done that. In my time on the Board, we have approved City plans to improve access to the Eisenhower Metro Station and an administrative procedure for residents to request daylighting of sidewalks. We have approved the installation of a sidewalk near Polk Elementary and removed numerous parking spaces to implement the Safe Routes to School program. My presence on the board provides another voice for the interests of pedestrians, cyclists, and transit users. Our streets and parking are public resources and should be managed as such, for the safety, accessibility, and benefit of everyone. I would like to continue as part of a body that helps to facilitate multimodal, convenient transport for everyone, which in turn will help to address congestion; according to the Alexandria Mobility Plan, 71 percent of outreach respondents named congestion the number one challenge for the future of mobility in the City. The Mobility Plan, like other City plans, informs the work of the Traffic and Parking Board. It is important that the City's decisions, including those of boards and commissions, are consistent with applicable plans. The comprehensive nature of plans, and the extensive public process undertaken to create them, should drive individual on-the-ground actions and streamline any associated approval process. I am a former president of the Del Ray Citizens Association (if reappointed, I would continue to be the only Del Ray resident on the board) and oversee environmental planning and analysis for a federal agency. I have experience in public involvement, including in receiving public comments and meaningfully considering them, regardless of the emotional investment (or not) of the person providing the comment. As a public servant, I respect the work of City staff and understand the challenge they face in trying to please many different stakeholders. Yet the role of the board is to consider City proposals critically and not necessarily to rubber stamp them, and my history on the Board demonstrates that I walk this line well.

Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am very interested in serving on the Traffic and Parking Board. I have lived in the City of Alexandria for 28 years and love being able to walk, ride my bike, catch a DASH bus or use the Metro to get where I need to go. (I do also drive) I am especially interested in making our public streets, sidewalks and bike lanes safe for all users. I hold Masters degrees in Architecture and in Education. My architectural masters thesis was entitled "On Layering Motion" - the project incorporated sidewalks, bike lanes, residences and a parking garage centered around the Amtrak station in Charlottesville, Virginia. I have worked as a preschool teacher in Alexandria for the past 10 years and am currently working with ACPS as a Bike Buddies Volunteer. In addition to my volunteer work, I am also co-leading the Naomi Brooks Bike Bus with Melissa McMahon and Stephanie Lavey every Friday morning. It would be an honor to serve the City as a volunteer on the Traffic and Parking Board. I respectfully ask that you consider my application. Thank you so much, Jacquelyn Kittredge
