Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

Shortly after moving to the City of Alexandria, I was the victim of package theft. I filed a police report which, through coordination with ACPD and my neighbors who were also victims, led to criminal charges. Although a minor example, my experience underscores the need for the community to trust - both in competency, transparency, and motivation - police officers. Please allow this letter to serve as an introduction and request for consideration for a citizen position on the Independent Community Policing Review Board (Board). My interest in giving back to my community and previous experience will be an asset to the Board. I have 25 years of experience as an attorney in private practice and federal government service handling myriad issues including internal investigations and policy development. I also have previous oversight board and state Sunshine laws experience.
