Re: Endorsement of Application for FY26-FY27 I-395/95 NVTC Commuter Choice Grant

Dear Mayor Wilson and Members of City Council:

At its October 16, 2024, meeting, the Transportation Commission voted to endorse the City's proposed I-395/95 Commuter Choice Grant applications. The proposals seek a total of up to \$13,000,000 over a two-year period for the continuation of service enhancements on two DASH routes in the Alexandria Transit Vision (ATV) Plan that provide important transit connections for the West End and the I-395/95 corridor.

The proposed top priority project, "DASH West End – Pentagon Bus Service Enhancements", would allow DASH to continue to provide weekday, Saturday, and Sunday service enhancements for the new DASH "Line 35." This route provides frequent, all-day service in West Alexandria from the Van Dorn Metro to the Pentagon via Beauregard Street. This project will continue to build on major recent ridership growth in West Alexandria along the planned West End Transitway corridor, maintain a potential future source of operations funding for the transitway, and support the implementation of the established Transit Vision for the city. Total project cost for FY 2026 – 2027 is roughly \$8,000,000, or \$4,000,000 per year.

The second-priority project, "DASH West End – Potomac Yard Bus Service Enhancements", proposes to continue the weekday, Saturday, and Sunday service enhancements for "Line 36." "Line 36" provides service to key destinations along the I-395 corridor including the Mark Center, Shirlington, Arlandria, and the Potomac Yard Metro Station. The total two-year cost of the project is \$5,000,000, or \$2,500,000 per year.

The Commission recommends that Council support both of these grant applications.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melissa McMahon".
