Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 53626.

Request Details:

- Name: Mary Jane Kramer
- Approximate Address: No Address Specified
- Phone Number: 703-683-6294
- Email: mary.j.kramer@usps.gov
- Service Type: Mayor, Vice Mayor City Council
- Request Description: Dear Mayor, Vice Mayor, and City Council Members:

Please see the attached letter from NECA.

Due to the likelihood that the proposed Dominion Virginia Power project to underground a major electrical transmission line will directly impact on our neighborhood, it is imperative that a member of the Northeast Citizens Association be appointed to the Working Group which will examine these impacts. We are concerned about the effects that this high voltage line might have on the quality of life and health of nearby residents. We are concerned at the potential disruption to the environment, the economic life, and the transportation patterns of our community.

We urge you to require a member from NECA to be on this Working Group.

Thank you for your consideration of this request.

Sincerely,

Mary Jane Kramer
NECA President

Dear Ms. Henderson

I would be ever so grateful if you could forward this message to the Mayor and the City Council members.

Sincerely
Poul Hertel

Request that the NorthEast Citizens' Association be appointed to the Dominion Power "power line" review committee.

Honorable Mayor and Members of the City Council:

I ask, as a resident of the Northeast, that you ensure that the NorthEast Citizens' Association be made part of the body appointed by the City of Alexandria to review the Dominion proposal. The association, by its location has a clear vested interest in the outcome and as such rights to be represented.

Sincerely
Poul Hertel
