

RESOLUTION NO.3237

RESOLUTION TO SUPPORT PROPOSED TRANSPORTATION PROJECT APPLICATIONS FOR THE REGIONAL TRANSPORTATION FUNDING “SMART SCALE” FOR FY 2030 to FY 2031

WHEREAS, in 2014, HB2 was signed into law, and in June 2016, the program was renamed SMART SCALE. SMART stands for System Management Allocation of Resources for Transportation and SCALE stands for Safety, Congestion Mitigation, Accessibility, Land Use, Environmental, and Economic Development; and

WHEREAS, the purpose of SMART SCALE is to fund the right transportation projects through a prioritization process that evaluates each project’s merits using key factors, including: improvements to safety, congestion reduction, accessibility, economic development and the environmental quality. The evaluation focuses on the degree to which a project addresses a problem or need relative to the requested funding for the project; and

WHEREAS, projects are scored based on an objective and fair analysis applied statewide. SMART SCALE also requires that project benefits be analyzed relative to project cost. Commonwealth Transportation Board policy requires the project benefits be analyzed relative to the amount of SMART SCALE funds requested, so the final SMART SCALE score is based on the project cost to the state; and

WHEREAS, the City Council of the City of Alexandria desires to submit a joint application with Northern Virginia Transportation Authority (NVTA) and Arlington County of funds of up to \$30 million for I395 Shirlington Rotary & South Glebe Rd Interchange Improvements project, through the Virginia Department of Transportation SMART SCALE Program; and

WHEREAS, the City of Alexandria, Virginia, in partnership with NVTA and Arlington County, supports the application for up to \$30 million in funding to address critical transportation needs, specifically for the I395 Shirlington Rotary & South Glebe Road Interchange Improvement Project

NOW, THEREFORE, BE IT RESOLVED, by the city council of the City of Alexandria:

1. the City Council of the City of Alexandria hereby supports this joint application with NVTA and Arlington County for an allocation of up to \$30 million through the Virginia Department of Transportation SMART SCALE Program; and
2. the City Council of the City of Alexandria hereby grants authority for the City Manager to execute all necessary documents that may be required under this program
