## Summary of Work and Experience

Since 2015, I have worked as a small business owner in the Alexandria area with a focus on design, project coordination, and client experience. My work has included contract-based projects with SailPoint Holdings, where I supported operational and design-related needs, demonstrating reliability, attention to detail, and the ability to deliver high-quality work within structured corporate environments. In addition to my contract work, I have built a strong foundation in residential and small-business design. This experience has allowed me to collaborate closely with clients, understand their goals, and create functional, aesthetically pleasing solutions

tailored to their needs. Most recently, my role at Patina Polished Living has deepened my engagement with the Alexandria community. Through both design services and retail interactions, I have developed meaningful relationships with residents and visitors, helping them enhance their homes and connecting them with the character and charm of local design. This position has strengthened my customer service skills, community involvement, and understanding of how design can influence and elevate daily life. Together, these experiences reflect my commitment to high-quality work, my ability to collaborate with diverse groups, and my ongoing dedication to serving the Alexandria community.

## Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I am very interested in contributing to the beautification of the already-beautiful Alexandria, Virginia. Since I moved here with my wife and two small kids in 2022, I have loved exploring the city's parks, trails, and public spaces. I have also started a small garden on our patio with the help of the Master Gardeners of Northern Virginia's website and in-person events. These interests - enjoying Alexandria's public spaces and gardening - have naturally (pun intended) brought me to the Beautification Commission, where I would be honored to contribute to the City that I have come to love. When I'm not outside at a playground or in my garden, I am doing my day job of government attorney. I am comfortable and familiar with bureaucracy, paperwork, oral and written advocacy, and all of the other tasks that put the "Commission" in "Beautification Commission." In other words, I'd be happy to get my hands dirty in the soil or City Hall for this good cause.

## Educational Background

I have a bachelor's degree in History from the University of Michigan and a J.D. from Tulane University.

## Summary of Work and Experience

I have been an Associate General Counsel at the Office of Congressional Workplace Rights on Capitol Hill for the last three years. Before that, I was a Field Attorney at the National Labor Relations Board for eight years. My volunteer experience includes serving on the board of my kids' federally-administered preschool at the Patent and Trademark Office. In that role, I was the lead negotiator of a renewal contract with the care provider, Bright Horizons. I have also been a mentor with Big Brothers Big Sisters for about ten years and sporadically volunteer at Alive's Del Ray Food Hub when I have time.

## Statement of Interest (Do not include personal information such as phone numbers, addresses, emails, etc.)

I use and enjoy our city's parks and public spaces every day and I'm excited to express my interest in joining the Beautification Commission. My interest was sparked by opportunities in my neighborhood where thoughtful enhancements—such as landscaping—could make a meaningful impact on the community's aesthetic and environmental quality. I've also been consistently impressed by the city's responsiveness to resident feedback, from simple requests like activating park fountains to broader environmental initiatives. This level of civic engagement has inspired me to contribute more directly. I'm eager to learn how Alexandria promotes sustainability and beautification at the municipal level, and I hope to support those efforts with ideas, energy, and collaboration.
