

Current and Proposed Review Process for Traffic and Parking Board Issues

Rows that are shaded gray indicate a change to the review process

Issue Requiring Review by the Board (City Code Section)	Current Review Process			Proposed Review Process
	Board has final approval	Board makes a recommendation to the Director or City Manager	Board makes a recommendation to the City Council	
Curb Cut Appeals (5-2-14)	X			No Change
Parade Routes (5-2-43)	X			Eliminate review from Board's duties and reassign to Special Events Committee
Consideration of All Matters Concerning Traffic and Parking (5-8-2/3)		X (Unless otherwise specified in the Code)		No change to review process but specific duties are proposed under Section 5-8-3 to clarify which traffic and parking matters are reviewed by the Board
Residential Permit Parking – adding, changing, or removing signage (5-8-72/77)		X		No Change
Residential Permit Parking – expanding or creating a new district (5-8-73/75)			X	No Change

Issue Requiring Review by the Board (City Code Section)	Current Review Process			Proposed Review Process
	Board has final approval	Board makes a recommendation to the Director or City Manager	Board makes a recommendation to the City Council	
Parking meters (5-8-92)		X	<i>*If the Manager disagrees with the Board's recommendation, the Council can make the final decision.</i> <i>Additionally, since the blocks are listed in the City Code, the Council reviews new locations through the related City Code amendment.</i>	Eliminate the list of metered blocks from the City Code, which eliminates the need for a City Code amendment to add or remove metered blocks. Retain process for Council review if the Manager disagrees with the Board's recommendation.
Metering a city parking lot (5-8-112)			X	No Change
On-street parking standards (5-8-161/162)		X		Eliminate standards and enforcement sections, which includes Board review
Taxicab regulations – biennial review, suspension & revocation of permits, and new company applications (9-12-25/31/60)		X		No Changes

Issue Requiring Review by the Board (City Code Section)	Current Review Process			Proposed Review Process
	Board has final approval	Board makes a recommendation to the Director or City Manager	Board makes a recommendation to the City Council
