The resolution reads as follows:

**RESOLUTION NO. 2602**

**A RESOLUTION OF THE CITY COUNCIL OF THE  
CITY OF ALEXANDRIA, VIRGINIA  
AUTHORIZING THE ISSUANCE AND SALE OF GENERAL OBLIGATION  
REFUNDING BONDS**

**WHEREAS**, the City Council of the City of Alexandria, Virginia ("City") has determined that is advisable to authorize the issuance and sale of general obligation refunding bonds of the City to refund in advance of their maturities certain bonds previously issued by the City in order to achieve debt service savings.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ALEXANDRIA:**

1. **Authorization of Bonds; Refunding of Prior Bonds.** The City Council hereby determines that it is advisable to contract a debt and to issue and sell general obligation refunding bonds (the "Bonds") on the terms determined in the manner set forth in this Resolution. The issuance and sale of the Bonds are hereby authorized. The proceeds from the issuance and sale of the Bonds shall be used to refund, redeem, and/or defease certain outstanding bonds issued by the City (the "Refunded Bonds"). The specific bonds to be refunded shall be determined by the City Manager and the Finance Director/Chief Financial Officer, or either one of them ("the Authorized Officer") pursuant to the criteria set forth in this paragraph. The Authorized Officer is authorized to determine the series, maturities and amounts of the Refunded Bonds as such officer determines to be in the best interest of the City as long as the minimum savings achieved by the issuance of the Bonds is not less than 3% savings on a present value basis compared to the existing debt service on the Refunded Bonds. The Authorized Officer is authorized to enter into an escrow agreement providing for the deposit of proceeds of the Bonds and the refunding and redemption of the Refunded Bonds with such escrow agent as the City Manager may select.

2. **Pledge of Full Faith and Credit.** The full faith and credit of the City are hereby irrevocably pledged for the payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable. The City Council shall levy an annual ad valorem tax upon all property in the City, subject to local taxation, sufficient to pay the principal of, premium, if any, and interest on the Bonds as the same shall become due for payment unless other funds are lawfully available and appropriated for the timely payment thereof.

3. **Details and Sale of Bonds.** The Bonds shall be issued upon the terms established pursuant to this Resolution and upon such other terms as may be determined in the manner set forth in this Resolution. The Bonds shall be issued in one or more series, in fully registered form and shall be dated such date or dates as the Authorized Officer may approve. The Bonds shall mature on such dates and in such amounts and shall be issued in such principal amount as the City Manager may approve, provided that the final maturity of the Bonds is not later than one year after the final maturity of the Refunded Bonds and the

aggregate principal amount of the Bonds is not more than the amount needed to pay principal of and premium, if any, and interest on the Refunded Bonds to the redemption date and to pay the cost of issuing the Bonds. The Bonds may be sold pursuant to a public or private placement and may be sold on a negotiated or competitive bid basis all as may be determined by the Authorized Officer. The Authorized Officer is authorized and directed to accept a bid or bids or a proposal for the purchase of the Bonds which such officer determines to be in the best interest of the City, subject to debt service savings criteria set forth in paragraph 1 above. The Authorized Officer is authorized to enter into a bond purchase agreement with the purchaser of the Bonds if required in connection with the sale of the Bonds. The Authorized Officer is authorized and directed to approve such optional redemption provisions for the Bonds as such officer or officers determine to be in the best interest of the City.

**4. Form of Bonds.** The Bonds shall be in substantially the form attached to this Resolution as Exhibit A, with such appropriate variations, omissions, and insertions as are permitted or required by this Resolution. There may be endorsed on the Bonds such legend or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or any usage or requirement of law with respect thereto.

**5. Book-Entry-Only Form.** If the Bonds are sold publicly, the Bonds shall be issued in book-entry-only form as set forth in this paragraph. The Bonds shall be issued in fully-registered form and registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC") as registered owner of the Bonds, and immobilized in the custody of DTC. One fully-registered Bond in typewritten or printed form for the principal amount of each maturity of the Bonds shall be registered to Cede & Co. Beneficial owners of the Bonds shall not receive physical delivery of the Bonds. Principal, premium, if any, and interest payments on the Bonds shall be made to DTC or its nominee as registered owner of the Bonds on the applicable payment date.

Transfer of ownership interest in the Bonds shall be made by DTC and its participants (the "Participants"), acting as nominees of the beneficial owners of the Bonds in accordance with rules specified by DTC and its Participants. The City shall notify DTC of any notice required to be given pursuant to this Resolution or the Bonds not less than fifteen (15) calendar days prior to the date upon which such notice is required to be given. The City shall also comply with the agreements set forth in the City's Letter of Representations to DTC.

Replacement Bonds (the "Replacement Bonds") may be issued directly to beneficial owners of the Bonds rather than to DTC or its nominee but only in the event that:

- (i) DTC determines not to continue to act as securities depository for the Bonds; or
- (ii) The City has advised DTC of its determination not to use DTC as a securities depository; or
- (iii) The City has determined that it is in the best interest of the beneficial owners of the Bonds or the City not to continue the book-entry system of transfer.

Upon occurrence of the event described in (i) or (ii) above, the City shall attempt to locate another qualified securities depository. If the City fails to locate another qualified

securities depository to replace DTC, the City Council shall execute and deliver Replacement Bonds substantially in the form set forth in Exhibit A to this Resolution to the Participants. In the event the City Council, in its discretion, makes the determination noted in (iii) above and has made provisions to notify the beneficial owners of the Bonds by mailing an appropriate notice to DTC, the appropriate officers and agents of the City shall execute and deliver Replacement Bonds substantially in the form set forth in Exhibit A to this Resolution to any Participants requesting such Replacement Bonds. Principal of and interest on the Replacement Bonds shall be payable as provided in this Resolution and in the Bonds and Replacement Bonds will be transferable in accordance with the provisions of paragraphs 9 and 10 of this Resolution and the Bonds.

**6. Appointment of Bond Registrar and Paying Agent.** The City Manager is authorized and directed to appoint a Bond Registrar and Paying Agent for the Bonds and as long as the Bonds are in book-entry form, either the City Manager or the Chief Financial Officer/Director of Finance may serve as Paying Agent.

The City Manager may appoint a subsequent registrar and/or one or more paying agents for the Bonds upon given written notice to the owners of the Bonds specifying the name and location of the principal office of such registrar or paying agent.

**7. Execution of Bonds.** The Mayor and the Clerk of the City are authorized and directed to execute appropriate negotiable Bonds and to affix the seal of the City thereto and to deliver the Bonds to the purchaser thereof upon payment of the purchase price. The manner of execution and affixation of the seal may be by facsimile, provided, however, that if the signatures of the Mayor and the Clerk are both by facsimile, the Bonds shall not be valid until signed at the foot thereof by the manual signature of the Bond Registrar.

**8. CUSIP Numbers.** If the Bonds are sold publicly, the Bonds shall have CUSIP identification numbers printed thereon. No such number shall constitute a part of the contract evidenced by the Bond on which it is imprinted and no liability shall attach to the City, or any of its officers or agents by reason of such numbers or any use made of such numbers, including any use by the City and any officer or agent of the City, by reason of any inaccuracy, error or omission with respect to such numbers.

**9. Registration, Transfer and Exchange.** Upon surrender for transfer or exchange of any Bond at the principal office of the Bond Registrar, the City shall execute and deliver and the Bond Registrar shall authenticate in the name of the transferee or transferees a new Bond or Bonds of any authorized denominations in an aggregate principal amount equal to the Bond surrendered and of the same form and maturity and bearing interest at the same rate as the Bond surrendered, subject in each case to such reasonable regulations as the City and the Bond Registrar may prescribe. All Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and substance reasonably satisfactory to the City and the Bond Registrar, duly executed by the registered owner or by his or her duly authorized attorney-in-fact or legal representative. No Bond may be registered to bearer.

New Bonds delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Bonds surrendered, shall be secured by this Resolution

and entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

**10. Charges for Exchange or Transfer.** No charge shall be made for any exchange or transfer of Bonds, but the City may require payment by the registered owner of any Bond of a sum sufficient to cover any tax or other governmental charge which may be imposed with respect to the transfer or exchange of such Bond.

**11. Non-Arbitrage Certificate and Tax Covenants.** The Authorized Officer and such officers and agents of the City as the Authorized Officer may designate are authorized and directed to execute a Non-Arbitrage Certificate and Tax Covenants setting forth the expected use and investment of the proceeds of the Bonds and containing such covenants as may be necessary in order to comply with the provisions of the Internal Revenue Code of 1986, as amended ("Code"), including the provisions of Section 148 of the Code and applicable regulations relating to "arbitrage bonds." The City Council covenants on behalf of the City that the proceeds from the issuance and sale of the Bonds will be invested and expended as set forth in the City's Non-Arbitrage Certificate and Tax Covenants, to be delivered simultaneously with the issuance and delivery of the Bonds and that the City shall comply with the other covenants and representations contained therein.

**12. Disclosure Documents.** The Authorized Officer and such officers and agents of the City as either of them may designate are hereby authorized and directed, if required, to prepare, execute, and deliver an appropriate notice of sale, preliminary official statement, official statement, continuing disclosure agreement or such other offering or disclosure documents as may be necessary to expedite the sale of the Bonds. The notice of sale, preliminary official statement, official statement, continuing disclosure agreement or other documents, if required, shall be published in such publications and distributed in such manner, including electronically, and at such times as the Director of Finance shall determine. The Director of Finance is authorized and directed to deem the preliminary official statement "final" for purposes of Securities and Exchange Commission Rule 15c2-12.

**13. Defeasance.** Bonds may be defeased pursuant to Section 15.2-2623 of the Code of Virginia of 1950, as amended, or any successor statute and shall be deemed no longer outstanding upon the establishment of an escrow or sinking fund for such Bonds meeting the requirements of, and the satisfaction of other conditions, if any, to defeasance, set forth in such Section 15.2-2623 or successor statute.

**14. Further Actions.** The Authorized Officer and such officers and agents of the City as either of them may designate are authorized and directed to take such further action as they deem necessary regarding the issuance and sale of the Bonds and all actions taken by such officers and agents in connection with the issuance and sale of the Bonds are ratified and confirmed.

**15. Effective Date; Applicable Law.** In accordance with Section 15.2-2601 of the Code of Virginia of 1950, as amended, the City Council elects to issue the Bonds pursuant to the provisions of the Public Finance Act of 1991. This Resolution shall take effect at the time of its enactment.

City of Alexandria, Virginia

MEMORANDUM

**DATE:** FEBUARY 19, 2014  
**TO:** THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL  
**FROM:** RASHAD M. YOUNG, CITY MANAGER /s/

**DOCKET TITLE:**

Consideration of a Renewal Grant Application to the Virginia Department of Motor Vehicles for an Aggressive Driving/DUI Interdiction Program in FY 2015.

**ISSUE:** Consideration of a renewal grant application to the Virginia Department of Motor Vehicles (DMV) for an aggressive driving and driving under the influence (DUI) interdiction program.

**RECOMMENDATION:** That City Council:

- (1) Approve the grant application (due February 28, 2014) to the Virginia DMV in the amount of \$30,325, which will provide funds to the Police Department to operate a DUI/aggressive driving interdiction program in the City; and
- (2) Authorized the City Manager to execute all necessary documents that may be required.

**BACKGROUND:** For the past sixteen years the City has obtained a grant under this program to allow the Police Department to pay overtime for police officers to conduct high intensity patrol operations, targeting aggressive drivers whose behavior contributed statistically to automobile crashes and unsafe driving complaints. The targeted behaviors included right-of-way violations, stop sign violations, speeding and following too closely. In FY 2014, the approved grant was for \$30,325.

**DISCUSSION:** The new grant request is for \$30,325 for Federal FY2015 (October 1, 2014 through September 30, 2015). The Police Department requests \$28,000 for overtime operations to combat aggressive driving and DUI violations. If approved, the Police Department will employ police officers on overtime status to deploy mobile and stationary patrols as methods to reduce the number of alcohol and aggressive driving related accidents in the City.

The Police Department also requests \$1,825 for five Alco-Sensors and \$500 for regional crash investigation and DUI enforcement training. The Alco-Sensors allow an officer to determine a person's blood alcohol content as part of the preliminary investigation for DUI offenses.

**FISCAL IMPACT:** To receive the DMV grant of \$30,325, the City must identify 20 percent matching funds, which may be in-kind. Since the City's share is an in-kind match of resources, there is no additional fiscal impact to the City in obtaining the grant. The proposed match is identified in the Police Department's operating budget for vehicle depreciation and maintenance costs. If approved, notification is expected by September 2014.

City of Alexandria, Virginia

MEMORANDUM

**DATE:** FEBRUARY 19, 2014

**TO:** THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

**FROM:** RASHAD M. YOUNG, CITY MANAGER /s/

**DOCKET TITLE:**

Introduction and First Reading. Consideration. Passage on First Reading of an Ordinance on the Proposed Real and Personal Property Tax Rates and Proposed Effective Tax Rate Increase for Calendar Year 2014 (Fiscal Year 2015).

**ISSUE:** Consideration of the Real and Personal Property Tax Rates for Calendar Year 2014 (Fiscal Year 2015).

**RECOMMENDATION:** That City Council will:

- (1) Pass the proposed ordinance on first reading after establishing the tax rates to be advertised for residential and commercial real property and personal property; and

- (2) Set the ordinance for public hearing on Saturday, April 12, and second reading and final passage on Thursday, May 1.

The maximum rates authorized by City Council in the attached ordinance reflect:

1. A base real estate tax rate on residential, commercial and industrial property for calendar year 2014 of \$     per one hundred dollars of assessed valuation;
2. Assumed in this proposed amount is the continued dedication of 0.6 cents for affordable housing and the continued dedication of 0.5 cents for a stormwater infrastructure trust fund account;
3. Assumed in the proposed amount is the continued reservation of 2.2 cents of the real property tax rate for transportation projects;
4. A special services district tax is proposed to continue to be levied on all real property located in the Tier I Potomac Yard Metrorail Station Special Services District at the current rate of \$0.20 per one hundred dollars of valuation.
5. Tax rates on vehicles and on other classes of personal property are not proposed to change for calendar year 2014.

**DISCUSSION:** Under the requirements of The Code of Virginia (“The Code”), the City Council annually must establish real property and personal property tax rates for each calendar year. The Code also establishes certain advertising and public hearing requirements prior to the adoption of these property tax rates. One of these Code requirements is that the rates that Council chooses to advertise are the highest rates that Council can consider adopting when they vote on the budget and set tax rates on May 1.

It should be noted, as discussed below, that the State Code requires a separate public hearing (i.e., separate from the budget hearing on March 10th) on the real property tax rate if the rates levied for the year in which the proposed tax rate applies would increase by more than one percent (after the value of new construction has been deducted). An increase of more than one percent is termed by statute an “effective tax rate increase.” This would be the case in CY 2014 as taxes levied at the current \$1.038 rate reflect a 2.25 percent increase for all classes of real property (after the value of new construction has been deducted). It should be noted that the maximum tax rate that will be advertised may be different from the City Manager’s proposed tax rate. The tax rate that would generate the same revenue as FY 2014 is \$1.013. Also, State law requires, in the circumstance of an increase in taxes levied in excess of 1%, to maintain or increase the current real property tax rate, that a special “notice of proposed real property tax increase” in a specific format and language be placed in a local newspaper of general circulation. We plan that the separate hearing on the “effective real property tax increase” will be held on April 12<sup>th</sup>, with the special notice of the hearing date, as required specifically by State statute, printed in two newspapers prior to that hearing. The advertisements will be placed in the Washington Times and the Alexandria Gazette Packet on March 13<sup>th</sup>, 30 days prior to the public hearing.

I propose that City Council act on Tuesday, March 11th to establish the maximum real estate tax and personal property tax rates which will be advertised in advance of the April 12 public hearing on the tax ordinance to be considered.

The following is the planned schedule for calendar year 2014 (FY 2015):

Date:                      Topic:

March 10	Budget Public Hearing
March 11	Council sets maximum real estate tax rates and personal property tax rate to be advertised
April 12	Public hearing on the real and personal property tax rates and property tax related ordinance
April 12	Public hearing on effective tax rate increase
May 1	Final adoption of the budget and related tax ordinances

The FY 2015 proposed operating budget reflects no increase in the real property tax rate of \$1.038 per \$100. The proposed budget and the proposed ordinance assume the continuation of the dedication of 0.6 cents of the base real estate tax rate for affordable housing and the continuation of the dedication of 0.5 cents for the Stormwater Management Infrastructure Trust Fund. The proposed budget and the proposed ordinance also assumes the continuation of the reservation of 2.2 cents for transportation projects. In addition, the proposed budget and the proposed ordinance assume the same Tier I Potomac Yard Metrorail Station Special Services District Tax Rate of 20 cents for all real property located in that District.

Below are the values attributed to dedicated taxes and Council reserved taxes.

**Dedicated Taxes:**

Affordable housing:	0.6 cents	\$2.1 million
Storm Water Management:	0.5 cents	\$1.8 million
Potomac Yard Special Services:	20 cents	\$0.6 million

**Council Reserved Taxes:**

Transportation Improvement:	2.2 cents	\$7.8 million
-----------------------------	-----------	---------------

Value of one cent (on all taxable real property): \$3.6 million

The FY 2015 Proposed Operating budget reflects no change per \$100 of assessed value to the current various personal property tax rates:

\$5.00 for tangible personal property,

\$3.55 for vehicles with specially designed equipment for use by the physically disabled,

\$4.50 for machinery and tools used in machinery and manufacturing business, and certain vehicles for hire, and

\$0.01 for privately-owned pleasure boats and watercraft that are used for recreational purposes only.

**FISCAL IMPACT:** The proposed tax of \$1.038 in the base real estate tax on each \$100 of assessed value for calendar year 2013 is expected to generate \$361.3 million in FY 2014 and \$383.4 million in FY 2015. It should be noted that the 2014 calendar year tax rate impacts the tax payment made in June 2014, which falls in FY 2014. In the fiscal impact below, the impact of the change in tax rate will be described in terms of its effect on FY 2014 and FY 2015.

In the FY 2010 Approved Budget, the City reduced its dedication for affordable housing to 0.7 cents. The FY 2012 budget reduced the dedication to 0.6 cents of the real estate tax rate. In FY 2015, this is estimated to

generate \$2.1 million, of which \$1.5 million is needed for debt service. The remaining \$0.6 million is available for affordable housing initiatives. If Council chooses to change the affordable housing dedication, a separate ordinance will be required and introduced at the time the budget is approved.

In FY 2011, City Council approved the dedication of 0.5 cents for stormwater management. The half cent is expected to generate an estimated \$1.8 million in both FY 2014 and FY 2015 and will be used primarily for capital projects related to maintenance and improvements of the City's stormwater infrastructure.

The Tier I Potomac Yard Special Services tax rate of 20 cents is projected to raise \$0.6 million in Calendar Year 2014.
