Statement of Interest/Why You Should Be Appointed

I have worked with police all of my life. My best friend retired from the Chicago PD as a captain. My brother is the retired police chief from Aurora, IL. I believe that I can listen to all sides of a situation and discern facts from fiction. I believe that police officers can make mistakes. I also believe that there are some persons who do not need to be a police officer as they are afraid of the people they serve. I'd like the opportunity to make our city the best that it can be.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I am a firm believer in helping and reforming criminals who want to be reformed and who want to get out of the cycle of crime. I believe diversion programs can work if properly resourced and accessible to the intended audience. Conversely, I don't like to see taxpayer money wasted on bad programs or for people that don't care or are not interested in reforming their selves. There must be a happy medium between diversion and alternative to jail balanced with public safety and protecting the rule of law. As a citizen voice on the committee, with a Law enforcement background, I hope to see myself as intermediary between the local law enforcement professionals and the community groups to help get the right people at the right time to help some individuals break the recidivism cycle. Thank you for your consideration.
