Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I feel a great deal of responsibility to the Waterfront Plan and the Commission. I am truly concerned about the current lack of institutional knowledge on the Commission, and I bring the knowledge going back as far as the waterfront planning stages to the implementation, to the present. As the City moves forward with Flood Mitigation and the possible development of the North terminal, this knowledge is essential to supporting the Commission and its membership. I can be an invaluable resource for other Commissioners who may seek my guidance.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I have lived in Alexandria since 1976, and in Old Town since 1983. I have had the pleasure of living along the waterfront since 2012. To me, the waterfront is one of the best features of our city. I walk along it almost every day (from my home to the southern end of National Airport) and would love to continue to contribute to the commission that focuses on ensuring that the waterfront remains a key part of the vitality of the city. Since I retired from the Federal Reserve Board several years ago, I have looked for opportunities to give back to the community I so love. I chaired Carpenter's Shelter's board of directors from 2015 to 2019, when I became term-limited in that position, and then served as Carpenter's treasurer until I rotated off the board in June 2020. For the past several years, I have also volunteered to be an election officer in the City. Working on the Waterfront Commission would be a great fit for both my interests and my talents.
