Re: Endorsement of the FY 2023 Regional Roadway Safety Grant Application

Dear Mayor Wilson and Members of City Council:

At its February 16, 2022 meeting, the Transportation Commission voted to endorse the following staff-recommended grant applications to the Metropolitan Washington Council of Governments Regional Roadway Safety Grant Program:

1. Up to \$80,000 to develop designs for safety improvements at two high-crash intersections: South Patrick Street & Duke Street, and South Henry Street & Duke Street.

This request supports the goals of the Alexandria Mobility Plan and the Vision Zero Action Plan. The Transportation Commission appreciates the opportunity to review staff recommendations for the FY 2023 Regional Roadway Safety Program.

Should you have any questions, do not hesitate to contact me.

Sincerely,

**Oscar
