Statement of Interest/Why You Should Be Appointed

Thanks to my French background and my professional diligence, I am the perfect fit for the Sister Cities Committee of Alexandria. Back in France, I always dedicated my time outside of class to being part of the community through student government. Since I arrived in the US, I kept this line of direction and maintained a high involvement with the leadership of my local communities. From Deputy Chair of Student Engagement at Chapel Hill to Vice President of Student Government Associate of the Central Piedmont Community College, helping others connect with their community and getting involved with something bigger than myself has been extremely important to me. While I am new in Alexandria, I am ready to participate to the collective effort in a meaningful way. The Sister Cities Committee is for me the perfect way to help two cultures that are dear to me, helping to improve the relationships between the two cities and countries with my humble efforts. I can bring to the table important knowledge and skills that can make the difference. As I lived in France for years, I can share cultural insight that will help build new initiatives and events that will consolidate the bond between our two cities. Thank you for reading my statement, it means a lot to me. Please, do not hesitate to reach out with questions. Best regards, Antoine Dula Lopez

Statement of Interest/Why You Should Be Appointed

For the Sister city committee between Alexandria & Caen - I have a strong international experience and would like to grow the partnership between Caen, France and Alexandria. I think the sister city program is a wonderful way to explore different cultures and would like to see a greater french influence in our old town colonial enviroment. For Alcohol Safety Action Program Policy Board - i have a strong law enforcement background and know that a majority of crimes committed usually involve alcohol. I would like to be on the board and help the director of ASAP enforce alcohol rules and ordinances for the City of Alexandria, and provide crucial oversight of those programs that may not be working or are otherwise not effective, and improve them to make the city safer. Thank you for your consideration.
