Statement of Interest/Why You Should Be Appointed

For the Sister city committee between Alexandria & Caen - I have a strong international experience and would like to grow the partnership between Caen, France and Alexandria. I think the sister city program is a wonderful way to explore different cultures and would like to see a greater french influence in our old town colonial enviroment. For Alcohol Safety Action Program Policy Board - i have a strong law enforcement background and know that a majority of crimes committed usually involve alcohol. I would like to be on the board and help the director of ASAP enforce alcohol rules and ordinances for the City of Alexandria, and provide crucial oversight of those programs that may not be working or are otherwise not effective, and improve them to make the city safer. Thank you for your consideration.
