Statement of Interest/Why You Should Be Appointed

Thank you for considering my application. As the incumbent for this role, I am re-applying to fill the seat. Although applying as a "citizen" now, I have a diverse background previously in Emergency Medical Services, firefighting, and emergency management. I served as an EMT in College Station, Texas for roughly 3 years, as well as an EMT in Oklahoma prior to that for 2 years. I also attended the TEEX Fire & Emergency Services school in College Station, which is one of the largest emergency services schools in the world. As a private citizen now outside of the emergency services world, I can bring valuable experience and background to the Council from both aspects. I understand the needs of the citizens being served, as well as the demands from those working on the front lines. I would be honored to serve again in this capacity.
