Workforce Development Center (WDC) - seeks to contribute to the development of a local integrated workforce by connecting growing employers with prospective employees and equipping both companies and individuals with the skills and resources necessary to achieve professional and economic advancement and stability. The WDC provides companies with guidance in accessing external financial resources as well as administers their own subsidized employer services, those being the Rapid Response Layoff program, Work-Based Learning program, and Full Employment program. The WDC also offers a variety of recruitment services ranging from candidate searches and screening, to job fair facilitation and marketing assistance. The WDC also provides resources to individuals seeking professional development and employment opportunities. Examples include job readiness and essential skills workshops, information sessions, and one-on-one job coaching/resume reviews. Specialized services for veterans, people with disabilities, and displaced individuals are also available. 703-746-5990

Code Administration - works in concert with other City agencies and stakeholders (residents, tenants, business owners, building owners, architects, engineers, builders, tradesmen, contractors, and developers) as part of the safe building team. The Alexandria Department of Code Administration's objective is to assist stakeholders with compliance related to Virginia's Uniform Statewide Building and Maintenance Codes (USBC), and the City Code nuisance and development provisions. The City provides a biannual day long (6 hours) training on Code requirements and has a Small Business Facilitator to navigate code requirements. 703-746-4200/703-746-4213

Alexandria Police Department - provides emergency and non-emergency assistance to businesses. For emergency services please dial 9-1-1 and for non-emergency needs please dial 703.746.4444. Businesses can also connect with APD by using the Alex311 website, Mobile APD, or social media platforms. APD's other services and programs that may be beneficial to businesses include our Crime Prevention Through Environmental Design program, the Trespassing Program, business checks, the Detail Officer program, and the Community Liaison program. For more information on any of these programs please contact Lieutenant Mike May mike.may@alexandriava.gov. 703-746-4700

Office of Human Rights - is a City department and an agency charged with the enforcement of federal, state and local anti-discrimination laws. The Office of Human Rights does not represent either complainants or respondents in the legal process. This Office also investigates discrimination allegations as part of the administrative process that is required before the parties may proceed with court action. Often businesses are not familiar with the process, but this department encourages business leaders to reach out for information. The Office of Human Rights would be pleased to provide training or information sessions, as resources will allow, on preventing discrimination in employment and public accommodations. 703-746-3140

Virginia Department of Health – Alexandria Health Department (VDH) - is responsible for the Health Department's permitting and inspection of all food businesses in the City. VDH's goal is to help businesses set up for success (giving free advice and consultation at the start of the project and helping businesses navigate our permit process quickly and efficiently) and to continue that relationship as businesses grow. 703-746-4996

Planning and Zoning - the City of Alexandria's Zoning Ordinance includes regulations on small business and home occupations. These regulations can include limitations on the types and sizes of businesses, depending on location. The Department of Planning and Zoning helps individuals and small business determine what City approvals are needed for their businesses and how to apply for those approvals. 703-746-4666

Department of Transportation & Environmental Services (T&ES) - reviews, plans, permits, builds, operates, and maintains infrastructure and transportation systems that keep Alexandrians moving, growing sustainably, and thriving. Some of T&ES' significant efforts include Flood Action Alexandria, the City's initiative to reduce flooding, and Eco-City Alexandria. 703-746-4025
