Hello Planning Commission,

I am pleased to voice my support for Development Site Plan #2021-00016, which is coming before the Planning Commission February 7th. The congregation of the Redeemed Church of Christ has grown thanks to the warmth and work of Pastor Josh and his wife Chimare, and they've done a lovely job being friendly to the surrounding community. I live directly behind the church at 6 E Chapman St, across the street from its parking lot entrance, and have no issue with their church expansion.

Best,

Marta Schantz
