Interests & Experiences

Statement of Interest/Why You Should Be Appointed

As a proud Alexandrian, I have been fortunate to serve as a member of both the Planning Commission (January 2019 - August 2021) and the Board of Architectural Review (January 2017 - January 2019). My experiences on both the Commission and the Board were very rewarding and provided excellent opportunities to encourage an appropriate blend of smart development and historic/environmental preservation. I am thankful for my time spent in service of the City and would welcome the opportunity to expand that service in a new capacity as a member of the Beauregard Urban Design Advisory Committee. With a vacancy for a qualified professional member currently available, I believe this position would be an ideal fit for someone with my experience. I believe my background as an architect would be an asset to the Committee, as it was to the Planning Commission and the BAR. I am proud to work for Cooper Carry, an Alexandria firm with a strong focus on master planning, contextual sensitivity, and environmental stewardship. With 26 years' professional experience, I would bring to the Committee an understanding of the importance of smart growth which addresses the evolving needs of our community while protecting its most valuable resources. My wife and I have been proud to call Old Town our home since 2011. We moved here with the goal of becoming part of a connected and walkable community and are thankful every day that we did. As someone who lives, works and plays in this unique and charming city, I am heavily vested in its success as a growing hub for business and education, a historic destination for tourism, and a safe and affordable home for all its residents. If appointed to the Beauregard Urban Design Advisory Committee, I will work diligently toward these goals to ensure a better Alexandria for everyone.
