Re: Endorsement of the FY 2024 Metropolitan Washington Council of Governments (MWCOG) Grant Applications

Dear Mayor Wilson and Members of City Council:

At its January 18, 2023 meeting, the Transportation Commission voted to endorse the following staff-recommended technical assistance grant applications to the Metropolitan Washington Council of Governments Transportation and Land Use Connections Program and Regional Roadway Safety Program:

Transportation and Land Use Connections Program:

- Up to \$80,000 to perform planning, community engagement, and preliminary design for corridor improvements on South Pickett Street between Edsall Road and Duke Street

Regional Roadway Safety Program:

- Up to \$80,000 to evaluate roadway lighting needs and develop lighting recommendations to enhance pedestrian safety in key areas

These requests support the goals of the Alexandria Mobility Plan and the Vision Zero Action Plan. The Transportation Commission appreciates the opportunity to review staff recommendations for the FY 2024 Transportation and Land Use Connections and Regional Roadway Safety Programs.

Should you have any questions, do not hesitate to contact me.
