Prior to Covid, I was a volunteer front desk information person at the Alexandria Lyceum. Providing visitors with information on the museum on Alexandria and its rich history from the 1600s to the 20th century. My services were used as a cashier in any gift shop transactions. Answering the phone in a pleasant manner giving the caller ingroups who were touring the formation on special events at our venue. Assisting staff members on any special groups who were touring the museum. Also I am currently serving the Lee - Fendall house providing tours of this historic house to the public. At the house I am involved in many specialized tour, ex. Civil War, garden Holiday celebrations. My research is conducted at the Kate Barrett library. Gadsby Tavern is another place I am serving as a docent. Explaining tavern life in the late 1700s and 1800s gives the tourists a better understanding of life during that time. Although, I do mention Phillip Fendall Jr. was a member of the American Colonization Society and John Gadsby was an enslaved at his business. Currently, I am working as a volunteer tour guide at the Stabler-Leadbeater Apothecary. Greeting and explaining the business of the Apothecary over 131 years is fascinating to our guests. I encourage dialogue with them asking them where they are from and answering any questions. If I do not know the answer I will contact one of the staff personnel who has a more in depth knowledge on the site. My group is able to flow easily through the building without disturbing other patrons who are waiting for the next tour. One other place I have worked as a volunteer pre Covid is the Alexandria Archeology Museum. There I transcribed 19th century paper documents of Alexandria residents their address into an Excel spreadsheet.

Interests & Experiences

Statement of Interest/Why You Should Be Appointed

From my volunteer service I have a deep interest in the City of Alexandria. Another point I have done research on is Dr. Alfred Johnson. The first African-American physician in Alexandria.. His house is on Duke Street. I would like to see the New Alexandria hospital have a recognition with Dr. Johnson. With my knowledge of Alexandria, its history I believe I can serve the city with respect during the 21 century.
