Statement of Interest

I am eager for the opportunity to rejoin the Economic Opportunities Commission of Alexandria. My previous service on the EOC, including a significant role on the Alexandria Fund for Human Services (AFHS) Grant Review Committee, has profoundly influenced my commitment to the mission of the EOC and the well-being of our community. As a member of the AFHS Grant Review Committee for the FY'24-26 grant cycle, I reviewed and scored grant applications, making recommendations based on established criteria. Utilizing an online grantmaking tool, I participated in evaluating approximately 50-60 proposals, which enhanced my understanding of how strategic funding decisions can impact community programs. This role highlighted the importance of targeted support in addressing the needs of low-income residents and reinforced my dedication to effective resource allocation. In my current role as an economic researcher at The Carlyle Group, I continue to apply my expertise in economic and statistical analyses to support strategic decisions. My background in Economics and Finance, along with experience in corporate budgeting, planning, and diversity and inclusion research, equips me with the skills needed to contribute valuable insights to the EOC. Growing up in a low-income community in Rochester, N.Y., I experienced firsthand the challenges of economic disadvantage in housing, healthcare, employment, and education. These experiences have fueled my original ambition to apply and my commitment to addressing these issues and working towards impactful solutions. My previous tenure with the EOC allowed me to gain diverse perspectives from across Alexandria, enriching my understanding and reinforcing my dedication to improving the lives of low-income residents. I am enthusiastic about the opportunity to bring my additional experience, expertise, and personal dedication back to the EOC. Thank you for considering my re-application. I look forward to contributing to the EOC's mission and making a positive impact on our community. Best regards, Charles J. Brown III

Statement of Interest

To Whom This May Concern: I am writing to express my enthusiastic interest in joining the Alexandria Environmental Policy Commission! Having lived in Alexandria for the past five years, I have developed a profound appreciation for our city's unique environment and a strong commitment to enhancing it. My involvement with the Beautification Commission over the last two years has given me invaluable experience in community engagement and environmental advocacy, which I am eager to apply to the Environmental Policy Commission. During my tenure on the Beautification Commission, I have had the privilege of serving as the chair of the Awards Subcommittee. In this role, I have overseen the 2022-2023 and 2023-2024 awards process, ensuring that our recognition aligns with our commitment to sustainability and environmental stewardship. This role has allowed me to engage deeply with various community stakeholders, championing initiatives prioritizing environmental responsibility and enhancing our city's aesthetic and ecological health. Our recent focus on integrating sustainability into our award criteria has underscored the importance of environmental practices in every aspect of community life. We have worked diligently to highlight and reward residents and projects that exemplify sustainable practices, fostering a culture of environmental consciousness. Additionally, the Beautification Commission has liaised with the city council to advocate for policies that support our environmental goals, ensuring that our initiatives align with the broader objectives of the city's environmental strategy. The opportunity to serve on the Environmental Policy Commission will deepen my understanding of Alexandria's complex challenges and opportunities in environmental policy. I am particularly drawn to the Commission's role in shaping and implementing policies that address climate change, promote sustainability, and protect our natural resources. I am eager to contribute my experience and passion for environmental advocacy to help advance these important goals! Thank you for considering my application. I am excited about bringing my community engagement and sustainability background to the Environmental Policy Commission and contributing to Alexandria's ongoing efforts to create a greener, more sustainable future! Warmly, Yanique M. Revers

Statement of Interest

I have had a lifelong love of history and the preservation of historical sites. Since moving to Alexandria 5 years ago one of the things I have loved about this city is that it pays attention to the past while looking to the future. For this reason I applied to be a member of the AHRPC to be a part of Alexandria's history and future. As a member of this commission, I have had the pleasure to assist in inspections of existing easements and examine how to best protect historic homes asking for easements throughout the city. When I heard that the AHRPC needed a new representative to the HARC I saw another way to contribute to my adoptive home city. For this reason I am applying to be the AHRPC representative to the HARC and further serve the city to my fullest capacity.
