Mr. Blaser,

I hope this email finds you doing well. I apologize, I was unable to attend the city council meeting yesterday morning, but wanted to contact you to provide comments in lieu of the in-person opportunity.

It came to my attention that during this meeting, La Pluma was discussed. I am not privy to the exact concerns or complaints, but I can provide my whole-hearted support behind La Pluma as a business in this city and especially in Old Town.

My family and I have thoroughly enjoyed La Pluma ever since it opened this spring. From my understanding, it took them approximately 4 years from a dream/plan to finally open their doors. It's been such a wonderful addition with the location, warm staff, opportunity to enjoy the outdoors, delicious drinks, satisfying food, and community feel. We started going to La Pluma when I was in my third trimester of pregnancy. At that time, it was great to have a little treat near our home on Alfred Street that could provide us with something at all hours and to satisfy everyone. As I moved from pregnancy to postpartum recovery, having La Pluma nearby was truly a lifeline. It was the first place I could walk to after my c-section and the first spot we took our son to in order to give him the feel of Old Town. Every time we had visitors in town to meet our newborn, we'd take them to La Pluma, and without fail, they'd visit La Pluma multiple times again without our influence before their departures.

There are so few places in Old Town that provide so much to the community. When I think of places where I can go have a coffee at all hours, a glass of wine in the evening, a bagel at breakfast, a charcuterie board at dusk AND get the chance to sit outside not in a makeshift streetery with cars zipping on King, very few places if any come to mind. Having said that, I also feel La Pluma epitomizes Old Town: a neighborhood spot that's just around the corner, engaging with the community, providing a place to gather where all feel welcome. As I recall, they've even provided some philanthropic efforts for drives/donations. That's more than so many businesses can say in this community let alone only having been present less than a year. We've had exceptional service upon every visit—there's a sense of pride it seems to all those working there.

This business was established after going through the proper channels and I believe it has been overwhelmingly embraced by the community for each of the offerings it provides. I believe this should be encouraged and supported, not stifled or quelled.

As someone who has lived in Old Town for a number of years, is a small business owner herself, and who plans to raise a family here, I don't think I could give stronger support than I would for La Pluma.

Thank you for your consideration. Please contact me should you have any additional questions.

Sincerely,
Abby Halpern

Dear Urban Planner Lanning Blaser,

La Pluma is my go to place for coffee and community. Removing them from Old Town will forever leave a sour taste in my mouth and I'll think twice about the values of this city. There is no reason a Latino owned shop should be fighting to stay open when the community needs them.

Dear Urban Planner Lanning Blaser,

La Pluma has been such a golden addition to the Alexandria community. As a local, I have received nothing but top quality service and hospitality from this establishment every time I visit. Not only that, but this business has supported communities near and dear to my heart. As a runner part of DC/NoVa run club "Las Millas", they've opened their doors to us MANY times and have shown us so much love. In turn, we've gladly supported them by enjoying their delicious food, drinks, and gorgeous space. I also telework and have come here on multiple occasions to enjoy their space. I see and understand why they'd want to expand - it is a small space and I couldn't think of a more deserving business than La Pluma to be given the opportunity to do so.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Dear Urban Planner Lanning Blaser,

Hi, my name is Aminata Johnson, I'm an Old Town local having worked at both Murphy's and ESP Tea and Coffee for many years. LaPaluma is an absolute (albeit new) staple to the community. At a time where Latino people are being ILLEGALLY targeted and arrested, getting rid of a Latino owned FAMILY ESTABLISHMENT will reflect poorly on the Old Town Community and votes will reflect this decision during the next City Council election.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Aminata Johnson

Dear Urban Planner Lanning Blaser,

La Pluma is truly a gem in our neighborhood. The customer service is warm and genuinely caring, the ambience is beautiful and welcoming, and every visit feels special. The food isn't just delicious — it's crafted with love, and you can taste it in every bite. This is the kind of place where you relax, laugh with friends, and feel part of something meaningful. I am deeply committed to supporting La Pluma. Losing it would be a huge loss to our community, and it would break my heart to see such a wonderful, irreplaceable place disappear.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Dear Urban Planner Lanning Blaser,

La Pluma is a hispanic business, there aren't many AUTHENTIC hispanic businesses in Old town and this is extremely important because of diversity within the County of Alexandria. Salvadorans reside in your county & would be sad to see this place go.

Dear Urban Planner Lanning Blaser,

La Pluma is such a valuable space in the Northern Virginia area. It's a beautiful cultural hub that functions as a third space for many who are working remotely, it provides great quality food and beverages in a time when many restaurants are opting for cheap/less nutritious offerings, and exposes the public to rich Central American culture. Please keep this beautiful gem of a space in the neighborhood!

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Dear Urban Planner Lanning Blaser,

I am supporting LaPluma because it has quickly become one of my favorite local spots. Every time I have been there, the food has been fresh and impressive, and the staff treats everyone with genuine care and professionalism. You can feel the pride they put into their work. LaPluma brings people together, creates a warm and welcoming atmosphere, and gives our neighborhood a place that feels safe and community centered.

Beyond the great food and service, LaPluma adds real value to the area. It is a small business that invests in the community, creates jobs, and gives residents a place to enjoy quality dining without having to travel far. Supporting responsible and well run establishments like this strengthens our neighborhood and gives us something to be proud of.

Dear Urban Planner Lanning Blaser,

Dear Members of the City Council,

I am writing to express my strong support for approving LaPluma, a Hispanic restaurant in the predominantly white neighborhood of Old Town Alexandria. This restaurant is far more than a business venture—it represents an important opportunity for cultural connection, economic growth, and community inclusivity.

For many Hispanic residents, having spaces that reflect our culture and heritage is deeply meaningful. A Hispanic restaurant offers more than food; it creates a sense of belonging, familiarity, and pride. Many of us have to travel outside our immediate neighborhoods to find culturally relevant places to gather, celebrate traditions, or enjoy food that reminds us of home. Like me who travels fifteen minutes across the bridge from Maryland plus the ten to fifteen extra minutes it takes to navigate Old Towns traffic & parking situation. Bringing this restaurant into the neighborhood helps ensure that all residents feel represented and valued within their own city.

Additionally, cultural diversity benefits the entire community—not just Hispanic families. Restaurants like this introduce neighbors to new flavors, traditions, and experiences. They help build understanding between cultures, create connections, and open the door for meaningful conversations. In a time when many communities are working to strengthen unity, having local businesses that reflect the diversity of the city is essential.

Economically, Hispanic-owned businesses contribute greatly to local economies. They create jobs, revitalize commercial areas, and attract new visitors. Approving this restaurant supports small business ownership and encourages entrepreneurial growth in groups that are often underrepresented in commercial districts.

Most importantly, allowing a Hispanic restaurant in a predominantly white neighborhood helps demonstrate that the city values fairness, diversity, and inclusion. Everyone should have access to spaces that feel welcoming and reflective of who they are—no matter where they live.

I respectfully ask that you support this restaurant's approval and recognize its importance not only to the Hispanic community but to the cultural richness of the entire city. Your decision can help foster a more inclusive and connected community where all families feel seen and represented.

Thank you for your time and thoughtful consideration.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Esloan Herrera

Dear Urban Planner Lanning Blaser,

I hope this letter finds you well, my stance on this is that La Pluma should be able to expand in old town Alexandria they have been operating as a place of business. In addition it has been a place to visit due to their exceptional customer service. During these tough times, especially against the Latino community with the occurring climate it has been a safe Haven, and in some ways more than just a café I looked at the spot as a little reminder of the small shops that I used to encounter back in my home country with the exception of course it being ran a lot better and cleaner than the ones back home. The owner has also been very responsive respectful to all his customers that I even forget, I am a customer when I visit. This is a business that should be able to expand and helps Alexandria city economy and ones that we should really help grow.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Dear Urban Planner Lanning Blaser,

Since the first time I walked into La Pluma it has been such an enjoyable and loving place. From the drinks to food to the service and respect and attention given by staff. This establishment is a unique business that represents our Latino community in the heart of the beautiful Old Town of Alexandria. I count the times I have been in the business and heard clients consistently tell the staff of how much they love their coffee shop and how beautiful it is. As the Latino that I am I love seeing businesses as La Pluma because it is a representation of my community but more importantly the community of so many. Voting yes isn't just benefiting the La Pluma, it's benefiting the community you all are elected to represent.

Dear Urban Planner Lanning Blaser,

In light of the atmosphere surrounding this year, I find it hard to rationalize taking more opportunities away from hard working people. After the pandemic we saw how fragile our own stability is when unstoppable things move against us. But now to target an individual business, change the course of their life and stability, I find any reason hard to process. If this shutdown had merit I highly doubt so many people would rush to aid these people. So instead of voting, I would like an explanation and detailed positive impacts the community would have if they are taken out. Address the public individually. Answer and care for the public that you say you serve. We are all deserving of respect. And I hope you uphold your duties and don’t shrug off complaints due to inconvenience.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Hector Tolentino

Dear Urban Planner Lanning Blaser,

I am a neighbor on Patrick Street a few doors down from La Pluma. My husband and I had been waiting a very long time for them to open and they have blown us away by their friendly staff, delicious food, and magnificently clean restaurant inside and outside. I live three doors down and I never hear any noice from the restaurant. Even when I walk by it isn't loud at all. La Pluma is a gem in Old Town with its amazing coffee and Latin food. Being a brand new mom, it has been an easily accessible place to dine or grab a coffee as well in an amazing atmosphere in town. The owners Danny and Illiana in addition to their staff are so caring and friendly. In my opinion, they care about their customers and the community more than any other restaurant in town.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood. They should be able to extend their hours and have more seating as well so they can better serve the community that's loves them being here.

Thank you!

Dear Urban Planner Lanning Blaser,

I LOVE La Pluma! I love the amazing, authentic, food. The coffee is unbeatable, there are only two TRUE specialty coffee shops in Old Town ALX and La Pluma is one of them! High quality wine and tranquil patio is also one of a kind. I have found an amazing community at La Pluma and have made the best of friends!

Dear Urban Planner Lanning Blaser,

I love LaPluma because it brings something fresh and beautiful to Old Town. The mix of Guatemalan and Salvadoran flavors feels like a piece of home—warm, comforting, and full of culture. It adds real diversity to the community, and you can feel the love behind everything they serve. It's one of those places that reminds you why supporting local spots matters: good people, good food, and a taste of Central America right in the heart of Old Town.

Dear Urban Planner Lanning Blaser,

[Insert why you love LaPluma]

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

My family and I are Guatemalan and Colombian and finding this restaurant was so exciting . This restaurant offers more than food. It offers a chance for our residents to learn about Guatemalan culture, to try new flavors, to meet people from different backgrounds, and to celebrate the richness that diversity brings. Closing it would not only eliminate a beloved gathering place, but it would also contribute to the erasure of cultural representation in our community.

Instead of shutting down a business that adds character and connection to our neighborhood, I hope the city will work collaboratively with the owners to address any concerns in a constructive and supportive way. Our community should be striving toward inclusion, not pushing out those who make it unique.

We should be building a city where everyone no matter where they come from feels welcome. Taking away a cultural space like this would be a step backward, and it simply wouldn’t feel right for a community that prides itself on diversity.

I respectfully ask that you reconsider this decision and choose a path that preserves the spirit, unity, and inclusivity that truly define our city.

Sincerely,
Kamila Pantaleon

Dear Urban Planner Lanning Blaser,

I respectfully ask for your support in allowing LaPluma to continue operating within our community. This establishment has become more than a place to eat. It provides cultural representation, contributes to the local economy, and creates an inclusive space for residents and visitors.

The restaurant employs local workers, sources ingredients from nearby vendors, and consistently participates in community events. It also offers an accessible introduction to Salvadorian culture through its food, which strengthens cultural appreciation across the city.

Closing this restaurant would remove a valued community asset. Preserving it supports small business growth, economic stability, and cultural diversity within our city.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Kathy Yaeger

Dear Urban Planner Lanning Blaser,

I've been coming to old town for as long as I can remember, seeing it filled with unique stores, there was always something for everyone. As I've gotten older, stores change, people move but that means new beginnings can happen, not a new chapter but a new book is written when a new business pops up.

Let patrons and neighbors enjoy this business.

Dear Urban Planner Lanning Blaser,

This coffee shops not only invite community, it helps create it. As a native northern VA Latina, it's not only comforting to have cafes that are proud of their roots/heritage, but it's inspiring. There aren't many Latin-owned brick and mortar shops around and it's necessary to have shops that represent the beautiful melting pot that is northern Virginia.

Dear Urban Planner Lanning Blaser,

La Pluma has quickly become one of my favorite restaurants - whether I'm grabbing a quick to-go coffee, meeting a friend for breakfast, having an afternoon drink and snacks with out of town guests, or having dinner with my husband. Why has it become a favorite? Many reasons - the staff is super friendly, the drinks are delicious, the food is unique and very delectable, and the patio offers a wonderful atmosphere.

I have also noticed that La Pluma gives back to the community by holding food drives. It is rare to find such a warm and welcoming place these days!

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Dear Urban Planner Lanning Blaser,

I love La Pluma in Old Town because this restaurant brings a beautiful touch of Hispanic culture that many of us haven't been able to experience in a long time—whether it's because people aren't familiar with it or simply haven't had the chance to go back home. Having La Pluma in Old Town adds meaningful diversity to this wonderful community in Alexandria. The food is amazing, the atmosphere is welcoming, and the service is excellent. For all these reasons, I truly believe La Pluma should stay in Old Town.

La Pluma represents our culture, our community, and the diversity that makes this city special. It brings authentic Guatemalan tradition, food, and family values to Old Town — something rare and deeply meaningful for many of us.

Please allow La Pluma to stay. Losing them would be a loss not just for Guatemalans, but for the entire Alexandria community that benefits from their presence, service, and cultural contribution.

Dear Urban Planner Lanning Blaser,

La Pluma is not just a coffee shop, but a vital part of our community in Old Town Alexandria. La Pluma brings authentic Latin American culture, warmth, and inclusivity to our city, making it a beloved gathering place for people from all walks of life.

The presence of La Pluma in Old Town Alexandria is a testament to the city's diversity and the rich cultural tapestry that defines us. Alexandria is home to a significant Latin American population, and it is only fitting that our businesses reflect that diversity. La Pluma not only provides exceptional coffee and service, but it also fosters a welcoming environment where everyone feels at home.

It is crucial to remember that Old Town Alexandria is part of the greater Northern Virginia and D.C. area, a region that stands for constitutional values of equality, inclusion, and opportunity for all. Pushing out La Pluma would contradict the very essence of what makes our community strong and vibrant.

The overwhelming majority of our residents support diversity and inclusion. We all know that the future of Alexandria lies in embracing and celebrating that diversity.

I strongly urge the city to recognize the invaluable contribution of La Pluma and to ensure they remain a thriving part of our community.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Michelle Luna

Dear Urban Planner Lanning Blaser,

LaPluma is a great restaurant that provides a great atmosphere for everyone to enjoy. The Latino community loves the ambience of the location and if it can expand for a better seating, it should be allowed.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,

Dear Urban Planner Lanning Blaser,

I love this place. As a lawyer and clinical law professor, who is on a hybrid schedule, I look for nice places to do work on the days I am working remotely. I often go to LaPluma on those days. Part of my reason for going is their location in Alexandria, with convenience to all other businesses in Old Town if I want to shop or run errands after. Secondly, I love the menu - as a Latina, I find their food to be very authentic and their coffee helps me get through a long work day. Next, their staff is amazing. They are friendly and speak Spanish and English, lending to its authenticity as a Latin spot. Finally, and maybe most importantly, when I'm spending my money, I try to be intentional about supporting businesses owned by historically marginalized communities. I love being able to go to this Latino-owned business and feel good about spending my money here.

This place is a huge draw for me to make the trek from NE DC to Old Town. If they were to lose their permit, I likely would not find myself in the area as often I do now.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Paulina Vera

it isn’t just the food or the drinks. it’s a place where my running community gathers together to achieve our goals. we push together on a rough journey that is running. Las Millas is a running community for Latinos. La Pluma was the first to allow us to gather and support other Latinos.

Dear Urban Planner Lanning Blaser,

La Pluma represents one of the largest groups of Latin Americans. Those who come from or their families are from Guatemala and El Salvador. Alexandria is home to many people from those countries and to remove La Pluma is to remove their identities. By removing them, it sends a message to the community that we are not welcomed and in doing so, you're making a no vocal statement that you are with this current presidential administration and their ideologies. La Pluma may be the only place at the moment where it feels like home for many of us who drink, and eat the foods of those countries. A safe space.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Dear Urban Planner Lanning Blaser,

I come here like 3 times a week, their team is so special, so welcoming, and the establishment is an old town gem. Their food is spectacular and you can tell how much thought and effort they put into sharing their culture through food and community and the way their staff interacts with customers. As a community, we have to support small businesses especially ones that expose us to different cuisines and cultures that provide such a comforting atmosphere for all who visit. I love this place so much and its always here for me after a stressful or hectic work day, everything about this establishment is amazing!

Dear Urban Planner Lanning Blaser,

I currently live in Arlington but grew up in the Alexandria area and can confidently say that La Pluma has been an immense joy to have in the community. Not only is the service and food amazing, it also brings to life the Latino community within Alexandria. Every weekend I do runs from Arlington to Alexandria and La Pluma is my go to stop after a long run. Having spent 27 years in Alexandria, I have seen business come and go but the ones that have stuck around have always brought warmth when thinking of Old Town Alexandria. Lavender Moon Cupcakery is a great example of one that defines the warmth of the Alexandria community and I believe that La Pluma does the exact same, being a reminder of such a welcoming neighborhood.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Dear Urban Planner Lanning Blaser,

La Pluma is a symbolic coffee shop for this community. La pluma represents what Alexandria is all about and that's the acceptance of different cultures made to be enjoyed by everyone. La pluma is very special to me because I feel represented and it gives our community hope that hard work does pay off. This coffee shop is always friendly and welcoming. It would be a huge disappointment for this community to lose this one of a kind location

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Dear Urban Planner Lanning Blaser,

La Pluma is a true gem in Old Town Alexandria. It has become one of my favorite local spots, and it's a place I consistently recommend to both residents and visitors. La Pluma offers a thoughtfully curated menu, excellent drinks, and a warm, inviting atmosphere that adds real value to our community. Why take that away?
If improvements are needed, I believe constructive communication and collaboration can address concerns - especially for a business whose quality far exceeds others interested in operating in the same space.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Dear Urban Planner Lanning Blaser,

I recently moved up both towards Loudoun county, but when i'm in the area I always make sure to make some time to stop by this place…. Brambleton (where I reside now) has great coffee shops..but you cannot compare it to the welcoming atmosphere and the taste at LaPluma

I cannot recommend this place enough.

Dear Urban Planner Lanning Blaser,

Council members,

I recently visited La Pluma for the first time, and it has quickly become my go-to spot for both productivity AND peace of mind. La Pluma is exactly what Alexandria needed. It brings culture and community together, and serves the community with top quality specialty coffee and flavors. It is truly a unique and special place.

Having lived in Europe, the upstairs setup and view give me a familiar sense of that atmosphere, complemented by a Latin-inspired menu and music that create a vibrant and welcoming energy

I urge you to experience it for yourself!

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Take care!

Good Afternoon Mr. Blaser,

I am writing to share my appreciation for a wonderful addition to the Old Town Alexandria community, La Pluma Coffee and Wine. This new establishment has quickly become one of the most inviting and enjoyable places in the area.

La Pluma offers a warm, welcoming, and beautifully clean atmosphere that makes it a perfect gathering spot for families and friends. The restaurant serves exceptional Guatemalan and Salvadoran cuisine, bringing authentic Central American flavors to our community. Every dish is full of rich flavor and cultural tradition, and their coffee is truly outstanding — some of the best I've had in the area.

It's clear that the owners and staff take great pride in their restaurant. The employees are always courteous and attentive, ensuring every guest feels welcome and valued.

La Pluma is not only a great place to enjoy a meal, but also a wonderful example of the diverse and thriving culinary culture that makes Old Town Alexandria such a special place.

Best Regards,

Angelo Barrera

Dear Urban Planner Lanning Blaser,

I have lived on the 100 block of North Patrick St. (where La Pluma is located) for more than 15 years. I was very familiar with the abandoned eyesore that occupied that location for many years before La Pluma moved in. La Pluma has transformed the property into a beautiful small business that is charming, is locally owned, and serves delicious food to the community.
I know that sometimes it is challenging when commercial and residential spaces coexist in close proximity. La Pluma is the perfect example of a responsible and responsive small business that operates with respect for neighbors and the community. It is a wonderful establishment that is deserving of our gratitude. This is exactly the type of business Old Town should be promoting and supporting.

I urge you to vote YES on Special Use Permit #202-00042, LaPluma is a great addition to the neighborhood.

Thank you!

Sincerely,
Alberto Ruisanchez

Dear Urban Planner Lanning Blaser,

La Pluma has been such a great spot for a date, girls breakfast, and a quick coffee stop. The staff is super friendly and they always have made an effort to accommodate my dietary restrictions. I love supporting small business and this is definitely one I have come to again and again (that says something if I am willing to deal with 95 traffic). I really do thinknthey could us more seating because it can get packed.

Good morning,

I'm writing this to support the LaPluma Coffee & Wine vote for their Special Use Permit #202-00042.

This cafe is not a huge corporation, nor owned by a restaurant group conglomerate. They're owned by two people whose appreciation and stewardship towards community is displayed every day. It's already a staple in the community.

Beyond their incredible coffee and food, they're also creating employment opportunities, developing new skills for the residents of this community.

Lastly, the owners are present every day. They regularly engage with customers, clients, and vendors with kindness and compassion. This is something I've seen frequently as a frequent customer myself. So, while Starbucks locations are closing to pad their bottom line and create more shareholder value, please keep in mind that small businesses are what bring joy and community to the wonderful city of Alexandria.

Warmly,

Daniel Segovia

Dear Mr. Blaser,
I suddenly realized that a proposal to increase La Pluma restaurant by five tables is coming before the Council today. I may be too late in communicating with you. I just want to say, La Pluma is a wonderful new restaurant whose cuisine I have just had the pleasure of enjoying. The restaurant is top-notch in my book. The service is excellent, very accommodating to its customers. The restaurant is impeccably clean, and the food is absolutely delicious. I encourage you to vote in favor of increasing its table count by five. Please give this serious thought because this new restaurant is worthy of Alexandria's support.
Sincerely,
Bev Hitchins

Dear Urban Planner Lanning Blaser,

To whom it may concern,

My name is Ashley Hernandez Estrada, a resident of the Carlyle neighborhood near old town Alexandria. As an Alexandria resident, I believe LaPluma is an amazing cultural and culinary addition to Old Town. Not only is it unique in providing representation to Central American culture, its organic and made to order cuisine are absolutely incredible and only add to the beauty and appeal of Alexandria off of King Street. As an employee there I can also personally attest to the love, care and passion the owners put into their work every day. Voting yes on special use permit #202-00042 would enable them to serve more to the community and further create the welcoming, warm and fun environment the city would want to promote for its most historical neighborhood!

Thank you!
Ashley
