

# I-395 HOV/Transit Ramp

September 15, 2012

# I-395 HOV/Transit Ramp

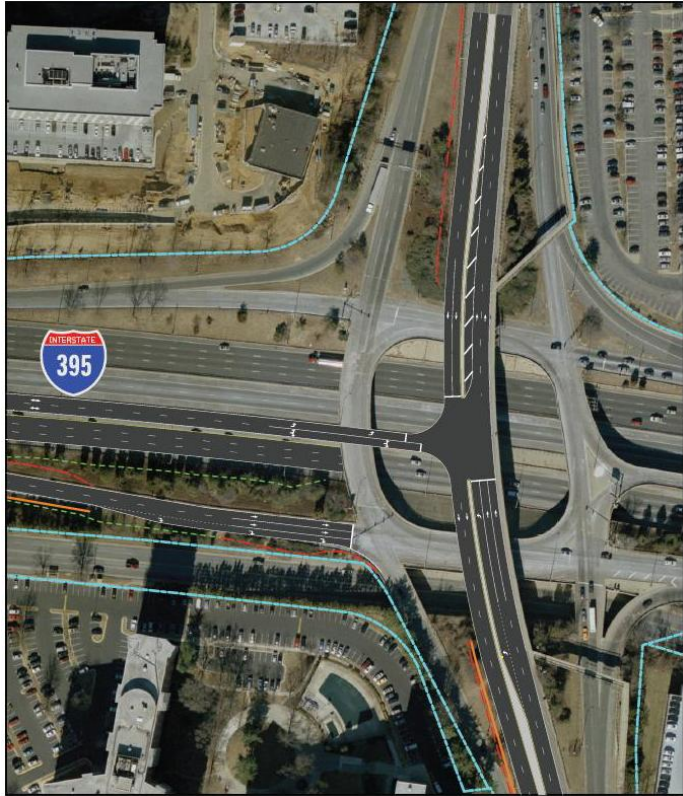

- Finding of No Significant Impact (FONSI) issued by Federal Highway (FHWA) on June 14, 2012
- VDOT has issued Request for Proposals
- Interchange Modification Report (IMR) has not been approved yet
- Expected completion 2015

# City Preferred Concept

# Option with Ramp Full Movements

# HOV/Transit Ramp - IMR

- Interchange Modification Report (IMR) has not been approved yet
- IMR includes analysis with:
  - Full movements at top of ramp
  - No AM NB right turns and PM WB left turns
- City of Alexandria supports no right turn option
- If right turn option is approved, monitor operation and safety and take appropriate action
