Subject: correction to minutes of February 12 on Feb. 26 docket

Vice Mayor Silberberg has requested that the February 12 minutes on the docket for approval on Tuesday evening be corrected to read as follows (under Oral Reports/Presentations by members of City Council.) I have noted the change in the minutes and ask that you adopt them with this correction.

Thank you.

2. Vice Mayor Silberberg said one can see where President Lincoln wrote most of the Emancipation Proclamation at the Soldier's Home in D.C., and they we need to remember how far they we have come and how far they we have yet to go.
