PLANNING COMMISSION ACTION, JUNE 4, 2013: By unanimous consent, the Planning Commission recommended approval of the request, subject to compliance with all applicable codes, ordinances and staff recommendations.

Reason: The Planning Commission agreed with the staff analysis.

I. DISCUSSION

The applicant, Masuda Mohamadi, requests Special Use Permit approval to operate a private commercial school (yoga studio) at 701 Prince Street Suite 200.

SITE DESCRIPTION

The subject site is a second-floor tenant space in a three-story commercial building. The parcel on which the building is located comprises one lot of record with approximately 100 feet of frontage on South Washington Street, 50 feet of frontage on Prince Street, and a lot area of 5,000 square feet. TD Bank is located on the first floor of the commercial building and the yoga studio will share the second floor with an office tenant. The third floor is currently vacant.

The property is surrounded by a mix of commercial and institutional uses. The Washington United Methodist Church and its administrative office building are located immediately to the north. Office uses are located to the east and west. The Lyceum is located to the south, and the U.S. Bankruptcy Court is located to the southeast.

BACKGROUND

The applicant currently operates a yoga studio at 110 King Street, which does not require Special Use Permit approval since fewer than 20 students are present on-site at any one time.

PROPOSAL

The applicant proposes to relocate her existing yoga studio from King Street into larger space at the corner of South Washington and Prince Streets. Two classrooms are planned for a maximum capacity of 40 students at any one time in the new 4,000 square-foot space. Additional elements of the applicants' current proposal are as follows:

Hours of Operation: 6 a.m. – 9 p.m. Monday - Friday
8 a.m. – 7 p.m. Saturday - Sunday

Number of Students: Up to 40 students at any one time

Employees: Four employees expected at any one time

Noise: No noise impacts are expected

Odors: No odor impacts are expected

Trash/Litter: Small amounts of trash will be stored in common trash receptacles.
No litter problems are anticipated.

ZONING/MASTER PLAN DESIGNATION

The property is located in the CD / Commercial Downtown zone. Section 4-503(U) of the Zoning Ordinance allows private commercial schools with more than 20 students at any one time in the CD zone only with Special Use Permit approval.

The proposed use is consistent with the Old Town Small Area Plan chapter of the Master Plan which designates the property for commercial uses.

PARKING

The subject property is located within the Central Business District (CBD). Pursuant to Section 8-300(B) of the Zoning Ordinance, private commercial schools located within the CBD on lots of 10,000 square feet or less that were in existence as of June 1983 are exempt from parking requirements. The subject property meets both eligibility thresholds and the use is therefore exempt from standard parking requirements. The applicant plans to subsidize employee parking in nearby garages, including the Courthouse garage at King and South Saint Asaph Streets.

II. STAFF ANALYSIS

Staff supports the applicant's request to expand its existing yoga studio. The request represents the reasonable expansion of an existing, successful business within Old Town.

Generally speaking, staff does not expect significant impacts from the use on adjacent properties. Yoga studios are typically low-intensity uses, and the applicant's specific proposal is relatively small in size and does not have late hours. No significant noise or odor impacts are expected. Any potential parking impacts from the use are expected to be low given the availability of garage parking nearby and the applicant's plans to subsidize employee parking in nearby garages. Some yoga students may also walk to the facility from nearby homes or offices and several bus lines also stop in the immediate area. Conditions #8 and #9 have also been included in this report to, among other things, encourage public transportation and direct patrons to nearby garage parking.

Subject to the conditions contained in Section III of this report, staff recommends approval of the applicant's Special Use Permit request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)

has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Joanna Anderson, Acting Deputy Director, Department of Planning and Zoning;

SPECIAL USE PERMIT APPLICATION**#3: NARRATIVE DESCRIPTION**

RADIANCE YOGA

701 PRINCE STREET, SUITE 200

The applicant, Masuda Mohamadi, owner of Radiance Yoga (www.Radiance-Yoga.net), is requesting a special use permit to operate a commercial school, with more than twenty students on the premises at any one time (Section 4-503 (U) of the Alexandria Zoning Ordinance) at 701 Prince Street, Suite 200. Radiance Yoga is an established Old Town business having offered classes in Flow Yoga, Kundalini Yoga, Yin Yoga and Meditation at 110 King Street for the past five years and enjoys an excellent reputation and relationship with the Old Town Community, where many of its students live or work, and with its neighbors.

The move to the new location allows Radiance Yoga to expand its program by increasing from one studio to two larger studios to create a better environment for instruction and the practice of Yoga. The new location will also allow Radiance Yoga to expand the number of students who can receive instruction in its scheduled courses and to allow two classes to be conducted at the same time. It is anticipated that the class participation levels and the actual number of classes offered will grow from the current levels at 110 King Street and ultimately reach the level where there may be more than twenty students in the combined studios and receiving instruction at any one time. In order to plan for and accommodate the future growth, the applicant is requesting this special use permit.

Currently, Radiance Yoga is open seven days a week offering thirty-five weekly classes between the hours 6:00 am through 9:00 pm Monday through Friday and 8:00 am through 7:00pm on Saturday and Sunday. The average class size is eight (8) students, although the number of students receiving instruction increases for week night classes between the hours of 6:15 pm and 7:45 pm and weekend classes between the hours of 10:00 am and 11:30 am. It is anticipated that while the actual numbers of students receiving instruction at the new location will increase, there will still be a wide range of the actual number of students receiving instruction at any one time. Similar to the dynamics of the size of classes throughout the day, the number of students will

vary by season; January to early March being the busiest season, Spring the slowest and Summer and Fall moderately busy. The projected increase in the number of students over a period of time is twenty students during weekdays and thirty to thirty-five on the evenings and on weekends. Radiance Yoga will not be a high impact business on the surrounding community.

Radiance Yoga's current location is located near several public parking facilities including the Torpedo Factory and City Hall garages. Both garages are used by students who drive to classes. The new location is less than a block from St Asaph Street pedestrian entrance to the City operated Courthouse garage. This garage is open at all times that Radiance Yoga conducts classes and provides parking at reasonable hourly rates; in the evenings and weekends a maximum rate of \$2.00 per hour. Radiance Yoga intends to promote the use of this garage by its students who drive by advertising the availability of the garage on its website, in its print materials, during course sign up, and posting notices at the studio.

Notwithstanding the fact that the property is located in the Central Business District and the use of the property as a commercial school is exempt from the parking requirements of the Alexandria Zoning Ordinance, in addition to advertising the availability of parking in the Courthouse Garage, Radiance intends to:

1. Subsidize the cost of parking for its employees (staff and instructors) in public garages.
2. Advertise and Post the availability of WMATA Metro service to the King Street Metro station and the use of the King Street Trolley.
3. Subject to the approval of the City provide a bicycle rack for use by students.
