Subject: June 15 public hearing docket
Importance: High

There are two additions/corrections to the docket for Saturday from the Planning and Zoning Office:

Docket item #15, the Eisenhower East Block 19 item, has a new resolution added to the attachments. This resolution is the Planning Commission's Master Plan Amendment resolution and is for Council's information only. (The resolution reaffirms the Planning Commission's adoption of the amendment.)

Docket item #29, the introduction of the ordinance for the Landmark Mall property, had an incorrect attachment Exhibit B. The correct Exhibit B is now included.

Please let me know if you have any questions.
