Subject: Call.Click.Connect. #39697: Mayor, Vice Mayor City Council Since I will not be in town for this eve

Dear **Call.Click.Connect.** User

A request was just created using **Call.Click.Connect.** The request ID is 39697.

Request Details:

- Name: Cedar Dvorin
- Approximate Address: No Address Specified
- Phone Number: 703-838-1677
- Email: cedar1950@gmail.com
- Service Type: Mayor, Vice Mayor City Council
- Request Description: Since I will not be in town for this evening's Legislative meeting, I ask for your support in supporting
"a Resolution to Establish as a Position of the City Council of the City of Alexandria, Virginia, to Support an Amendment to
Reverse Citizens United v. Federal Election Commission, That Corporations Should Not Receive the Same Legal Rights as Natural Persons, That Money is Not Speech, and that Political Expenditures Can Be Regulated."

I simply cannot accept that those who have a great deal of money or access to such funds are entitled to override the voices of we who do not. In addition, we've yet to see corporations being held accountable for their actions. I have only seen those employed by corporations receive mere "wrist slaps" for their various actions which resulted in destruction of our environment & of our economy. When corporations can be sent to prison, maybe they will be deserving of their money buying speech.

Thank you for your consideration.

Sincerely,

Cedar Dvorin
