#### **HB 558 State recordation taxes and fees; makes substantive and technical changes.**

*Patron:* Minchew

*Summary as introduced:*

**State recordation taxes and fees.** Makes substantive and technical changes to state recordation taxes and fees, including defining the value of property for recordation tax purposes as the value determined by a licensed appraiser within the six months prior to the date of recordation, provided an affidavit is submitted to the clerk of the court stating, among other things, the name, state of licensing, and license number of the appraiser and stating the appraised value of the property as provided in the appraisal report. If no such appraisal was performed, then the value for recordation tax purposes would be the current assessed value of the property as shown on the local tax assessor's records. Under current law, the value for recordation tax purposes is the fair market value of the property at the time of recordation.

The bill allows the parties to a deed or other instrument to allocate the liability for recordation taxes as the parties deem appropriate.

**HB 614 Landlord and tenant law; energy submetering, local government fees.**

*Patron:* Miller

*Summary as introduced:*

**Landlord and tenant law; energy submetering; local government fees.** Provides that in lieu of increasing the rent, the owner, manager, or operator of a commercial or residential building or campground may employ a program that utilizes a mathematical formula for allocating the actual

or anticipated local government fees billed to the building or campground owner among the tenants in such building or campground. Such owner, manager, or operator of a commercial or residential building or campground may also charge and collect from each tenant additional service charges, including monthly billing fees, account set-up fees, or account move-out fees, to cover the actual costs of administrative expenses for administration of such a program. If the building is residential and is subject to the Virginia Residential Landlord and Tenant Act, such local government fees and administrative expenses shall be deemed to be rent. The bill defines the term "local government fees" as any local government charges or fees assessed against a commercial or residential building or campground for stormwater, recycling, trash collection, elevator testing, fire or life safety testing, or residential rental inspection programs.

**HB 685 Communications sales and use tax revenues; changes distribution.**

*Patron:* Torian

*Summary as introduced:*

**Distribution of communications sales and use tax revenues.** Changes the distribution of communications sales and use tax revenues by providing that (i) first, each town would receive the same proportion of such revenues it received in fiscal year 2013-2014 and (ii) all of the remaining revenues would be distributed pro rata to those counties and cities that received a distribution in fiscal year 2013-2014, based upon the population of the county or city as shown by the most recent United States census. Currently, communications sales and use tax revenues are essentially distributed according to each locality's share of telecommunications and television cable funds (local consumer utility tax on landlines and wireless, E-911, business license tax in excess of 0.5 percent, cable franchise fee, video programming excise tax, local consumer utility tax on cable television) collected throughout the Commonwealth in fiscal year 2006.

**HB 716 Trafficking in persons; penalties.**

*Patrons:* McClellan and Watts

*Summary as introduced:*

**Trafficking in persons; penalties.** Creates new felonies for trafficking in persons for forced labor or sexual servitude and adds the new felonies as a predicate criminal act under the criminal gang statute, as racketeering crimes, and to the functions of a multijurisdiction grand jury, and also allows seizure and forfeiture of property used in committing such felonies. The new felonies and the existing felony of receiving money for procuring a person are added to the rape shield statute. The bill also makes sexual servitude an affirmative defense to the crime of prostitution and allows a petition for a child in need of services to be substituted for a delinquency petition for certain minors arrested for prostitution, disallows the release of certain victim information,

specifies law-enforcement protocol for victims who may not be legally present, requires persons convicted of the new felonies to pay restitution that compensates for the victim's labor, and creates a civil action for trafficked persons. The Secretary of Public Safety is required to convene an anti-trafficking committee and the Virginia Prevention of Human Trafficking Victim Fund is created, which will be administered by the Department of Criminal Justice Services.

**HB 728 Fraud and Abuse Whistle Blower Protection Act; discriminatory and retaliatory action.**

*Patron:* Lingamfelter

*Summary as passed House:*

**Discriminatory and retaliatory action against whistle blower; remedies.** Provides that no employer may discharge, threaten, or otherwise discriminate or retaliate against a whistle blower, in whole or in part, because the whistle blower is requested or subpoenaed by an appropriate authority to participate in an investigation, hearing, or inquiry by an appropriate authority or in a court action. The bill also provides that any whistle blower may bring a civil action for prohibited actions against him in the circuit court of the jurisdiction where the whistle blower is employed. The bill provides that in a proceeding commenced against any employer for unlawful retaliation against a whistleblower, the court, if it finds that a violation was willfully and knowingly made, may impose upon such employer that is a party to the action, whether a writ of mandamus or injunctive relief is awarded or not, a civil penalty of not less than \$500 nor more than \$2,500, which amount shall be paid into the Fraud and Abuse Whistle Blower Reward Fund. The bill also provides that the court may order remedies, including reinstatement to the same position or, if the position is filled, to an equivalent position; back pay; full reinstatement of fringe benefits and seniority rights; or any combination of such remedies. The bill also provides that the whistle blower may be entitled to recover reasonable attorney fees and costs. The bill also imposes a three-year statute of limitations for such actions.

**HB 879 Electric utility regulation; net energy metering by municipalities, etc.**

*Patrons:* Yost, Simon and Torian

*Summary as introduced:*

**Net energy metering by municipalities and multifamily customer-generators.** Authorizes municipal renewable energy net metering projects. Participating municipalities are authorized to aggregate the electric energy load of their governmental buildings, facilities, and any other governmental operations requiring the consumption of electric energy for the purpose of net energy metering from a renewable energy generating facility. To be eligible, the generation facility for the municipal renewable energy net metering project shall use as its sole energy source solar power, wind power, or aerobic or anaerobic digester gas and landfill gas; not have an aggregate generation capacity of more than five megawatts unless a utility elects a higher capacity; be located on land owned or controlled by the municipality; be interconnected and operated in parallel with an electric utility's transmission and distribution facilities; and be used primarily to provide energy to metered accounts of the municipality. The aggregated municipal net metered accounts may be served by multiple meters. The aggregated load shall be served under the appropriate rate schedules. The measure also requires the State Corporation Commission, by July 1, 2015, to establish a program of multifamily net energy metering, which will allow a customer or customers that operate a renewable energy generating facility in a condominium, apartment complex, neighborhood, or homeowners association served by a common distribution circuit to be an eligible multifamily net metering customer-generator. The generation facility for multifamily net metering shall use as its total source of fuel renewable energy; not have an aggregate generation capacity of more than 500 kilowatts; be located on land owned or controlled by the eligible condominium, apartment complex, or homeowners association or on customers' property within the condominium, apartment complex, neighborhood, or homeowners association; be interconnected and operated in parallel with an electric utility's transmission and distribution facilities; and be used primarily to provide energy to metered accounts of the eligible multifamily net metering customer-generator. Eligible multifamily net metering customer-generators are exempt from the monthly standby charge assessed on other eligible customer-generators.

*Summary as introduced:*

**Unconstitutional acts and ultra vires enforcement by localities.** Provides that any zoning ordinance of a locality that violates or unreasonably restricts the free exercise of rights guaranteed under the United States Constitution or the Constitution of Virginia shall be null and void and shall constitute a violation. Any enforcement by a locality of such ordinance shall be deemed a violation. In any litigation in which the constitutionality of a zoning ordinance or its enforcement is at issue, the ordinance shall not be given a presumption of constitutionality or presumption of validity. In any litigation involving a challenge under this statute, the burden of establishing compliance with the statute shall be on the locality. Any locality that violates the statute shall be liable to aggrieved persons in amounts equal to the fines and penalties that the locality seeks to impose on such aggrieved persons, plus actual damages including reasonable attorney fees. Any locality that willfully violates this statute, or whose interpretation or enforcement of ordinances willfully operates in violation of this statute, shall be liable to the aggrieved person for treble damages, plus reasonable attorney fees. Any official or employee of a locality that willfully violates this statute, or whose interpretation or enforcement of duties willfully operates in violation of the statute, may be personally liable to aggrieved persons in the amount equal to the fines and penalties that such official or employee seeks or sought to impose on such aggrieved persons plus actual damages and attorney fees. The Attorney General of Virginia shall establish a procedure whereby persons, including officials and employees of localities, may report violations. No locality may take disciplinary action against any official or employee for reporting such violations. The Attorney General (i) shall have authority to institute legal proceedings in the courts of the respective locality and (ii) may intervene in any proceeding to enforce this statute against any locality.

**SB 260 Emergency custody; web-based psychiatric bed registry, custody order valid up to 24 hours, etc.**

*Patrons:* Deeds, Barker, Black, Favola, Howell and Ebbin; *Delegates:* Plum and Torian

*Summary as passed Senate:*

**Emergency custody and involuntary temporary detention.** Directs the Department of Behavioral Health and Developmental Services to establish an acute psychiatric bed registry that will provide real-time information on the availability of beds in public and private psychiatric facilities and residential crisis stabilization units for individuals who meet the criteria for temporary detention. The bill extends the time that a person may be held pursuant to an emergency custody order to 24 hours. Currently, a person may be held for up to four hours, with an additional two-hour extension available upon a finding by a magistrate that good cause exists for an extension. The bill provides that an individual for whom a temporary detention order is issued will be detained in a public or private facility identified by an employee or designee of the community services board, provided such facility is able to provide temporary detention and appropriate care for the individual. The bill requires that in each case in which an employee or designee of the local community services board is required to make an evaluation of a person who is subject to an emergency custody order, the employee or designee will notify the Department if an appropriate facility of temporary detention has not been identified within four hours of the issuance of the emergency custody order. The bill requires the Department, following such notification, to assist the local community services board in identifying an appropriate facility of temporary detention, and in cases in which a facility of temporary detention has not been identified by either the Department or the employee or designee of the local community services board within eight hours of issuance of an emergency custody order, the Department is required to identify a facility operated by the Department to accept the person for temporary detention. Finally, the bill directs the Governor's Mental Health Task Force to study issues associated with law enforcement's involvement in the admission process and make recommendations designed to reduce the burden on law enforcement resources.

*Summary as introduced:*

**Net energy metering by municipalities and multifamily customer-generators.** Authorizes municipal renewable energy net metering projects. Participating municipalities are authorized to aggregate the electric energy load of their governmental buildings, facilities, and any other governmental operations requiring the consumption of electric energy for the purpose of net energy metering from a renewable energy generating facility. To be eligible, the generation facility for the municipal renewable energy net metering project shall use as its sole energy source solar power, wind power, or aerobic or anaerobic digester gas and landfill gas; not have an aggregate generation capacity of more than five megawatts unless a utility elects a higher capacity; be located on land owned or controlled by the municipality; be interconnected and operated in parallel with an electric utility's transmission and distribution facilities; and be used primarily to provide energy to metered accounts of the municipality. The aggregated municipal net metered accounts may be served by multiple meters. The aggregated load shall be served under the appropriate rate schedules. The measure also requires the State Corporation Commission, by July 1, 2015, to establish a program of multifamily net energy metering, which will allow a customer or customers that operate a renewable energy generating facility in a condominium, apartment complex, neighborhood, or homeowners association served by a common distribution circuit to be an eligible multifamily net metering customer-generator. The generation facility for multifamily net metering shall use as its total source of fuel renewable energy; not have an aggregate generation capacity of more than 500 kilowatts; be located on land owned or controlled by the eligible condominium, apartment complex, or homeowners association or on customers' property within the condominium, apartment complex, neighborhood, or homeowners association; be interconnected and operated in parallel with an electric utility's transmission and distribution facilities; and be used primarily to provide energy to metered accounts of the eligible multifamily net metering customer-generator. Eligible multifamily net metering customer-generators are exempt from the monthly standby charge assessed on other eligible customer-generators.

**Notes:** City position: oppose

**SB 608 Concealed handgun permits, lifetime; Department of State Police to issue, penalty.**

*Patrons:* Carrico and Garrett

*Summary as passed Senate:*

**Lifetime concealed handgun permits; Department of State Police to issue; penalty.** Provides for the issuance of concealed handgun permits that do not expire to Virginia residents upon payment of a one-time fee of \$100, except that the fee for a person currently holding an unexpired permit is \$50. Currently, the fee for issuing such permits is \$50, and the permits must be renewed every five years with an additional \$50 fee charged each time. Such lifetime permits will include a photograph of the permittee. The bill also centralizes the issuance of concealed handgun permits with the Department of State Police, instead of current law which provides that the circuit court clerk for the jurisdiction where the applicant resides issues such permits. The bill also requires the Department of State Police to conduct periodic background checks during the lifetime of any permit issued in the Commonwealth, but no less than annually.
