Subject: Call.Click.Connect. #47127: Mayor, Vice Mayor City Council Mayor Euille and City Council, I enthus

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 47127.

Request Details:

- Name: Bruce Dwyer
- Approximate Address: No Address Specified
- Phone Number: 703-549-3263
- Email: ouibike@gmail.com
- Service Type: Mayor, Vice Mayor City Council
- Request Description: Mayor Euille and City Council,
I enthusiastically support Elizabeth Jones for an appointment to the Traffic and Parking Board. I have known Elizabeth since her days as an aide to Councilman Krupicka when she did a thorough and persistent job on crafting and advocating for the "Stop for Pedestrians in Crosswalks" legislation before the Virginia Legislature. Her groundwork on this bill paved the way for several more attempts to get it passed, unfortunately without success (which should not be viewed unfavorably with respect to Elizabeth). This legislation is really important, especially in urban area like Alexandria as we promoting Complete Streets. She knows the issues relating to traffic and parking in the context city policy. Further, I keep coming across Elizabeth at many community events as she has embraced community involvement to make Alexandria a better place to live. Finally, I see that she is President of the MacArthur PTA, demonstrating leadership (at such a fine school dating back to the 1970's when our kids were there). In my opinion, she is a model citizen the City should take advantage of at every opportunity.
Thank you for your consideration of my views

Subject: Appointment to the Alexandria Traffic and Parking Board

Dear Mayor and Council Members:

I am writing to endorse the appointment of Jim Neurohr for the Alexandria Traffic and Parking Board to a two-year term of service.

I believe Jim Neurohr is a good fit for the Traffic and Parking Board. Jim's 30 years of experience with the City of Alexandria provide an important historical prospective that will be an asset. Jim knows why many of the traffic controls were placed on the City's streets because Jim designed and installed many of them. Over the past 30 years Jim formed close working relationships with the Police Department, Fire Department and the Parks and Recreation Department. He has contacts he can rely on when important issues come before the Board. Jim understands of the principles and theory of traffic engineering will help the Board resolve difficult issues. As the Transportation & Environmental Services representative on Special Events Committee Jim had a unique understanding of how different events and traffic controls affect various stakeholders. None of the current Board members have a background in traffic engineering or planning. Jim is also well connected in the community and, I believe, he has a good appreciation for the pulse of the community.

Very Respectfully,

Thomas Y. "JAY" Johnson Jr.

Chairman

Alexandria Traffic and Parking Board

Jay Johnson
