Docket Item #16, April 22nd, Traffic & Parking Board Appointment

Dear Mayor Euille & Members of City Council,

I would appreciate your support of Kevin Beekman's application to serve on the City's Traffic & Parking Board at City Council's meeting on Tuesday April 22nd. With 7 applicants for 3 board positions, the competition is certainly tight, but Kevin deserves your support.

Kevin has been active and involved with these issues for well over a decade and is in command of the factors involved with traffic and parking decisions. He's been a tireless advocate for the community and is well suited to make well informed and fair recommendations to help promote our community's goals. Since I moved to Alexandria and met Kevin over 10 years ago I have found him to be a constant and committed member of our community. As an Alexandria resident Kevin has the required perspective and commitment to the entire City to improve both traffic and parking issues city wide. His commitment to our residents and business is unparalleled.

Thank you for your consideration.

Subject: Support for Kevin Beekman for Traffic and Planning Board

Mayor Euille & Members of City Council,

I am writing to support Kevin Beekman's application to serve on the City's Traffic & Parking Board. His application is to be considered at today's City Council's meeting. With 7 applicants for 3 board positions, the competition is certainly tight, but Kevin deserves your support.

Kevin has been active and involved with these issues for well over a decade and is in command of the factors involved with traffic and parking decisions. He's been a tireless advocate for the community and is well suited to make well informed and fair recommendations to help promote our community's goals. I have worked side-by-side with Kevin as a co-editor of the Arlandrian blog and as a co-founder of the Four Mile Run Farmers and Artisans Market, and he is more dedicated to serving his community than anyone I have encountered. He also possesses an excellent depth of knowledge on City processes. He is surely a very strong candidate and I think he would be a fantastic addition to the Traffic & Parking Board.

Thank you for your consideration,
Nicholas Partee

Subject: Parking and Traffice Board Vacancy

Dear Mayor Euille & Members of City Council,

I would appreciate your support of Kevin Beekman's application to serve on the City's Traffic & Parking Board at City Council's meeting on Tuesday April 22nd. With 7 applicants for 3 board positions, the competition is certainly tight, but Kevin deserves your support.

I have known Kevin for eleven plus years, going back to the "graffiti and gang wars" when we were both concerned from different corners of the city; me on the West End, Kevin in Arlandria. Since that time I've watched Kevin become involved in several facets of civic activism: from helping incubate the Arlandria's Farmer's Market, helping with invasive species removal from the Four Mile Run area, and other ventures. Kevin is making a positive difference in the Arlandria community.

I'm sure all applicants are deserving and committed citizens. What Kevin will bring to the Parking and Traffic Board is a voice for Arlandria; an under represented corner of the city. Please consider Kevin's enthusiasm, passion, and commitment to the city when deciding who will fill the Traffic and Parking Board vacancy.

Thank you for your consideration.
