April 3, 2014

Re: Complete Streets Policy Re-enactment

Dear Mayor Euille and Members of City Council:

At its April 2, 2014 meeting, staff presented an update on the Complete Streets program to the Transportation Commission (Commission), including the accomplishments achieved in calendar year 2013. Staff is requesting that the Council reenact the Complete Streets policy, which was a requirement of the original Complete Streets resolution passed by Council in April 2011.

The members of the Commission present at the meeting remain supportive of the Complete Streets policy and program as adopted by the Council, and urge the Council to reenact the Complete Streets policy. Complete Streets policies are adopted to ensure that roadway projects will safely accommodate all users, pedestrians, bicyclists, transit vehicles and motorists, and the policy has been successful in the many Complete Streets accomplishments made over the past year.

We appreciate your consideration of the Commission's input on the reenactment of the Complete Streets policy.

Sincerely,

A handwritten signature in black ink, appearing to read "Nathan M. Macek".

Nathan M. Macek
Chair, Alexandria Transportation Commission
