Almost daily, he walks his dogs off leash in the neighborhood and plays with them in areas along Metro Linear Park. This is not only against the law but a poor example for others in the neighborhood who may be looking to see what the accepted norm is. Whether his dogs or others', pedestrians and bicyclists on the pathway are frequently approached or chased by these off leash animals. I believe a representative in our community should follow the rules him/herself and be prepared to be an example to other residents.

I am the co-chair of the Park and Recreation Commission, and I write to enthusiastically support the application of Matthew Slowik to represent District 1 on our commission. I have known Matt since our college days at Brown, where he was on the football team and involved in numerous community activities. Since moving to Alexandria, Matt has been actively involved in the Parker-Gray Board of Architectural Review, and I think if he switched to the P&RC he would be a great contributor to our discussions and present fresh perspectives. I expect Matt to be a strong voice for the "R" in P&RC -- particular with respect to youth and adult sports. As an attorney dealing with government contracts, he would also come to the table with understanding of how administrative processes work. He is truly a team player, and a great asset to the City. I strongly encourage a vote in his favor.

Sincerely yours,

Judy Coleman

I would like to support Caty Poulin's candidacy for District I Parks & Rec Commissioner. I have been a homeowner in the Fords Landing Community since 2003 and have noted that complexion of the community has changed with many more families with children. I know Caty very well, as she and her husband are soccer coaches for my daughter and son and Caty is a very active volunteer for St. Paul's church and pre-school, and Lyles Crouch, where my children also attend school.

Caty is a long time resident with two young boys active in community sports. Both she and her husband are involved in youth sports and volunteer coach soccer teams. Living steps from the Waterfront and across from Windmill Park, Caty is tapped in to the neighborhood and helped launch the Friends of Windmill Park. Please appoint Caty as the next District I Commissioner.

Caty is the mother of two school age boys and lives on the 100 block of Gibbon Street close to the waterfront and across from Windmill Hill Park. Both she and her husband are active in youth sports in Alexandria and they volunteer to coach soccer and basketball teams.

I believe the future of Alexandria lies in its ability to maintain an active and vibrant community for its citizens, and particularly its youth. Therefore, I would like to see more members of the Commission represent school aged children.

I hope you will consider appointing Caty to the Commission. Her ties to the community and efforts to improve it are well recognized in the neighborhood.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 50909.

Request Details:

- Name: Gina Baum
- Approximate Address: No Address Specified
- Phone Number: 703-338-1557
- Email: ginabaum@kw.com
- Service Type: Mayor, Vice Mayor City Council
- Request Description: Mayor, Vice Mayor and City Council,

I am writing to support the candidacy of Catherine (Caty) Poulin for district I Park & Rec. Commissioner. Caty is a long time resident, mother of two school age boys and lives at 102 Gibbon Street, steps from the waterfront and across from Windmill Hill Park. She helped launch the Friends of Lee Street Park, a neighborhood friends group that supports the park and efforts to improve it.

Caty and her husband are active in youth sports in Alexandria. Both she and her husband volunteer to coach soccer teams and her husband has coached basketball.

Caty is well known and tapped into the waterfront community. As we continue to move forward with the landscape design of the waterfront, an additional Commissioner with ties to the neighborhood and connected to the waterfront community (like Judy was) would be invaluable.

In addition, currently Jen Adkins and I are the only members of the Commission with school aged children. Caty's involvement in youth sports will help the commission continue to improve and take youth sports to the next level and hopefully profitable in years to come.

I hope you will consider appointing Caty to the Commission. Her ties to the community and efforts to improve it are well recognized in the neighborhood. Her appointment would be positively received by the community.

Should you have any questions feel free to contact me at 703-338-1557.

Many thanks,

Gina Baum
District I Commissioner
