**Subject:** FW: ARHA Board Appointment Letter

Dear Mayor and Members of City Council:

On your January 13 docket is an uncontested appointment for a citizen member of the Alexandria Redevelopment and Housing Authority Board of Commissioners. The single applicant for this position has demonstrated skills in the procurement field, although she notes that her first job out of college (held for 16 months) was as a Housing Coordinator for mixed income developments.

As you know, ARHA is in the process of redeveloping eight properties. Given the scope of these development plans and program, it is essential, from our prospective, that the person selected for the current Board vacancy have a minimum of 10 years of experience in real estate development and/or finance. Our ideal candidate would be a real estate attorney, a land use planner, or someone with a banking background with experience in real estate development. Such a person would be able to provide immediate guidance and critical comments as the redevelopment projects move forward.

Because of the significant challenges ARHA faces as it redevelops the eight sites, we are requesting that the Council defer this appointment and request the City Clerk to re-advertise the position in hopes of attracting applicants with these critically needed professional skills.

I hope that you will favorably receive this request. If you have any questions, please give me a call. Thanks in advance for your help on this critical appointment.

Dear *Call.Click.Connect.* User

A request was just created using *Call.Click.Connect.* The request ID is 63882.

### Request Details:

- Name: Jerry King
- Approximate Address: No Address Specified
- Phone Number: 7036841688
- Email: [jjkingconsulting@yahoo.com](mailto:jjkingconsulting@yahoo.com)
- Service Type: Mayor, Vice Mayor, City Council
- Request Description: Letter of Recommendation for Scott Anderson for a Transportation Commission Vacancy  
I began working with Scott several years ago when he involved himself in advocacy efforts in the city. Since that time he has stepped up volunteered in other efforts in the city to add his time and effort to make our city a better place to live. Scott is one who involves himself in whatever task at hand and keeps at it until done to his satisfaction. With detail to tasks he would be an excellent person to sit on the commission.

As former Chair of Alexandria Bicycle and Pedestrian Advisory Committee (BPAC) it was important for me to have a good working relationship with members of the committee. Scott was one of those few who volunteered for additional tasks without asking. He started out volunteering for the Bike Friendly Businesses project and others and has since volunteered for the Parking Standards for New Development Advisory Committee, the Ad Hoc Pedestrian and Bicycle Master Plan Advisory Committee, and the Lower King Street Multimodal Feasibility Study. Scott is a valuable member of our community and would be an asset to the commission.

Jerry King, Vice Chair, Alexandria Transportation Commission

Dear Honorable Members of the Alexandria City Council:

On behalf of the Children, Youth and Families Collaborative Commission, CYFCC, I would like to strongly support the application of Mr. Mike Mackey to continue serving on this Commission. The CYFCC required a lot of work and commitment from its committee members. As a member, Mr. Mackey assisted in not only identifying the needs of children, youth, and families but helped in establishing priorities that will function as a guide for the City of Alexandria when serving this audience.

As an inaugural member of the commission, Mr. Mackey has played an integral role in helping the CYFCC accomplish these goals. The following are a few highlights of her service to the commission:

- Served as a member of the Implementation and Monitoring Committee
- Provided invaluable feed back to the Children and Youth Master Plan
- Attended 100 % of the full commission meetings and numerous committee meetings.

Mr. Mackey provides a level of knowledge and consistency to the Commission that needs to be maintained. It is imperative that he be reappointed to allow the commission to continue to benefit from his experience and move the work of the CYFCC forward.

Sincerely,

Sean McEneaney

Good afternoon—

Hope you are well.

Nancy Tingen is the Alexandria Association representative to the Historic Alexandria Resources Commission, and she has reapplied for her position on the Commission. In order to put this before City Council, I will need an endorsement from the Alexandria Association that Nancy is their representative.

Are you still the correct person to get that endorsement from?

Thanks so much for your help.
