I note that you have several citizen applicants for open seats on the Environmental Policy Commission. I am personally and professionally acquainted with one of the applicants, Damien Hammond. I encouraged Damien to apply for this position. Damien is highly-qualified to serve on the EPC based on his education and field of expertise. He has hands-on experience on issues ranging from lead paint and asbestos contamination to Ebola virus containment protocols. The City would benefit from Damien's knowledge and enthusiasm. I recommend his appointment to the EPC. Many thanks for your consideration of his candidacy.
