Measuring Diversity

Alexandria's Largest Racial and Ethnic Groups and Foreign-Born Population

City Council February 24, 2015

Diversity

- Who and where are we?
- Why examine race, ethnicity and nativeborn vs foreign-born populations?
- What are some of the similarities and differences among these populations in Alexandria?
- Strategic Plan Goal 7: Alexandria is a caring and inclusive community that values its rich diversity, history and culture, and promotes affordability

What's New?

- October 10, 2014. Alexandria City of Millennials? This memo prepared by city staff reports on a study re
 Arlington as the U.S. jurisdictions with the greatest percentage growth in Millennials from 2007 to 2013. V
 old in the city, Alexandria definitely deserves its share of the Millennial championship. And beginning in 2
 instead, (though the city's baby-boomer demographer isn't likely to be here to take credit for his predictior
- October 2, 2014. American Community Survey 2013 Narrative Summary. This brief newsletter prepared I data, released by the Census Bureau on September 18, 2014. The data shows an increase in the share children, and a continuing trend to increasing ethnic and racial diversity. The senior share of the population to reverse soon as more and more baby boomers pass the 65-year mark.
- March 9. 2013. County-to-county commuter flows. These graphs show the percent of commuters into and
